The Southern California Association of Governments (SCAG) has launched the nation's first fully interactive version of a regional transportation plan – the Draft 2012–2035 Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS). Among its many features, SCAG's online RTP has the most flexible public comment opportunities ever offered.

FEATURES

- ▶ **Compatibility** – Quick access from all laptops, tablets and smartphones.
- ▶ **Flexible Reading** – Browse table of contents or search by keywords.
- ▶ **Online Comments** – Save, edit and submit comments and attachments at your convenience.
- ▶ **Explore Details** – Easily search charts, tables and maps in the Media Gallery.

BENEFITS

- ▶ **More Engaging Regional Planning** – Interactive content encourages participation.
- ▶ **Transparency** – Supports the public demand for open government.
- ▶ **Think Green** – Print only the chapters or subsections you really need!

SCAG is the nation's largest metropolitan planning organization, representing six counties, 191 cities and more than 18 million residents. SCAG undertakes a variety of planning and policy initiatives to plan for a livable and sustainable Southern California now and in the future.
