The Southern California Association of Governments (SCAG) has prepared the Draft Connect SoCal Plan in compliance with applicable federal and state statutes and regulations. The Draft Connect SoCal Plan is a long-range visioning plan that is developed and updated by SCAG every four years. The Plan balances future mobility and housing needs with economic, environmental and public health goals, while meeting greenhouse gas emission reduction targets set forth by the California Air Resources Board. The Draft Connect SoCal Plan is officially available for public review and comment as of **November 14, 2019**.

### REGIONAL COUNCIL OFFICERS

President  
**Bill Jahn, Big Bear Lake**

First Vice President  
**Rex Richardson, Long Beach**

Second Vice President  
**Clint Lorimore, Eastvale**

Immediate Past President  
**Alan D. Wapner, San Bernardino  
County Transportation Authority**

Included as part of this public review of the Draft Connect SoCal Plan is the Draft 2019 Federal Transportation Improvement Program (FTIP) Amendment #19-12. Federal requirements stipulate that the FTIP must be consistent with the new RTP. The 2019 FTIP Amendment #19-12 fulfills this requirement.

The Draft Connect SoCal Plan is available online at <http://connectsocial.org>. FTIP Amendment #19-12 is available at <http://ftip.scag.ca.gov/Pages/2019/proposed.aspx>. Copies are available for public review at SCAG's main office in Los Angeles and its regional offices in Imperial, Orange, Riverside, San Bernardino and Ventura counties as well as at public libraries throughout the region (library listing available on the SCAG website, SCAG's main office and regional offices). SCAG's Regional Council is scheduled to consider approval of the Final Connect SoCal Plan and FTIP Amendment #19-12 in early April 2020.
