PUBLIC ADVISORY

If members of the public wish to review the attachments or have any questions on any of the agenda items, please contact Maggie Aguilar at (213) 630-1420 or via email at aguilarm@scag.ca.gov. Agendas & Minutes are also available at: <https://scag.ca.gov/meetings-leadership>.

SCAG, in accordance with the Americans with Disabilities Act (ADA), will accommodate persons who require a modification of accommodation to participate in this meeting. SCAG is also committed to helping people with limited proficiency in the English language access the agency's essential public information and services. You can request such assistance by calling (213) 630-1410. We request at least 72 hours (three days) notice to provide reasonable accommodations and will make every effort to arrange for assistance as soon as possible.

Instructions for Participating and Public Comments

You may submit public comments in two (2) ways:

1. **Submit written comments via email to: ePublicComment@scag.ca.gov by 5pm on Wednesday, April 30, 2025.**

Members of the public are encouraged, but not required, to submit written comments by sending an email to: ePublicComment@scag.ca.gov by 5pm on Wednesday, April 30, 2025. Such comments will be transmitted to members of the Regional Council and posted on SCAG's website prior to the meeting. Written comments received after 5pm on Wednesday, April 30, 2025, will be announced and included as part of the official record of the meeting. Any writings or documents provided to a majority of this committee regarding any item on this agenda (other than writings legally exempt from public disclosure) are available at the Office of the Clerk, at 900 Wilshire Blvd., Suite 1700, Los Angeles, CA 90017 or by phone at (213) 630-1420, or email to aguilarm@scag.ca.gov.

2. **Submit Comments in person:**

The Regional Council will be meeting in-person (not by telephonic means) and the public is welcome to attend this meeting of the Regional Council. As such, public comments may be delivered either in writing (as noted above) or in-person at the Regional Council meeting. There will not be any opportunity to provide public comment by remote, telephonic or video-conference means.

General Information for Public Comments

Members of the public desiring to speak on items on the agenda are invited to fill out and present a Public Comment Card to the Clerk of the Board prior to speaking. Comments will be limited to a total of three (3) minutes per speaker for all items on the agenda (including comments made for items not appearing on the agenda), with the presiding officer retaining discretion to adjust time limits as necessary to ensure efficient and orderly conduct of the meeting.

For items listed on the Consent Calendar, please indicate that you wish to speak when the Consent Calendar is called. Items listed on the Consent Calendar will be acted upon with one motion and there will be no separate discussion of these items unless a member of the legislative body so requests, in which event, the item will be considered separately.

In accordance with SCAG's Regional Council Policy, Article VI, Section H and California Government Code Section 54957.9, if a SCAG meeting is "willfully interrupted" and the "orderly conduct of the meeting" becomes unfeasible, the presiding officer or the Chair of the legislative body may order the removal of the individuals who are disrupting the meeting.

Subject: 2025 SCAG Scholarship Program

RECOMMENDED ACTION:

Approve Scholarship Committee recommendations for the 2025 SCAG Scholarship Program Award.

STRATEGIC PRIORITIES:

This item supports the following Strategic Priority 4: Build a unified culture anchored in the pursuit of organizational excellence.

EXECUTIVE SUMMARY:

The SCAG Scholarship Committee met on April 8, 2025 and recommended a total of ten (10) students to receive a 2025 SCAG Scholarship Program Award. The Committee recommends one (1) student each from Riverside, San Bernardino, and Ventura counties; two (2) students each from Imperial and Orange counties; and three (3) students from Los Angeles County. One of these awards will be funded by the California Transportation Foundation. This year, SCAG received 165 applications in total, of which 99 met the minimum requirements.

BACKGROUND:

SCAG Scholarship Program:

In July 2009, the Regional Council (RC) approved the SCAG Scholarship Pilot Program, which is intended to provide financial support to a select group of high school and community college students to develop their long-term career goals. Now in its 14th year, the program is open to high school seniors and community college students who reside in the six-county SCAG region.

Students applying are required to have a minimum 3.0 grade point average and must be enrolled in higher education if graduating. As part of the application, students are required to submit a completed application form, a minimum 500-word essay describing their interests in community planning, regional planning, urban planning, civil engineering, political science, public administration, sustainable development, or other related fields, two letters of recommendation, and a current transcript of records.

Overview of the Applications:

Applications for the SCAG Scholarship Program opened on February 7, 2025 and were due electronically by March 21, 2025 at 5:00 p.m. SCAG received a total of 165 applications, of which 99 met the application requirements. There were 28 from Imperial County, 37 from Los Angeles County, five from Orange County, 17 from Riverside County, five from San Bernardino County, and seven from Ventura County. Applications were screened based on the minimum requirements and the interests described in the essay portion. Although many of the applicants met the minimum requirements, primarily those students who exhibited some interest in the disciplines listed above were forwarded to the Scholarship Committee.

The Scholarship Committee was comprised of nine (9) Regional Council members from throughout the region and two (2) additional ex officio members representing academia:

- | | |
|---------------------------------|---|
| 1. Hon. David J. Shapiro, Chair | Representing Los Angeles County |
| 2. Hon. Claudia Frometa | Representing Los Angeles County |
| 3. Hon. Victoria Garcia | Representing Los Angeles County |
| 4. Hon. Michael Goodsell | Representing Imperial County |
| 5. Hon. Jan C. Harnik | Representing Riverside County |
| 6. Hon. Trish Kelley | Representing Orange County |
| 7. Hon. Steve Manos | Representing Riverside County |
| 8. Hon. Rocky Rhodes | Representing Ventura County |
| 9. Hon. Acquanetta Warren | Representing San Bernardino County |
| 10. Dr. So-Ra Baek | Ex Officio, Cal Poly Pomona |
| 11. Dr. James Moore | Ex Officio, University of Southern California |

Staff forwarded forty-two (42) applications, consisting of 12 from Imperial County, 13 from Los Angeles County, four (4) from Orange County, six (6) from Riverside County, three (3) from San Bernardino County, and four (4) from Ventura County to the Scholarship Committee for further evaluation. Names and other personal identifiers were removed from the applications, essays, letters of recommendation, transcripts, and other supporting documents to protect the privacy of the students. Each forwarded application was assigned a number for reference.

The Scholarship Committee was asked to evaluate the applications and recommend at least one (1) student each from Imperial, Orange, Riverside, San Bernardino, and Ventura counties and at least two (2) students from Los Angeles County, to receive the scholarship awards. The Committee had the option to further recommended two additional recipients from any county for discretionary scholarship awards, and the California Transportation Foundation (CTF) generously sponsored one additional award for a possible total of 10 scholarships.

Committee members reviewed the applications and made recommendations based on the interests described in the essay, career goals, and other activities in each student’s respective school and community.

After considerable discussion, and acknowledging the especially competitive applicant pool this year, the Scholarship Committee voted to recommend the following nine students for a 2025 SCAG Scholarship Program Award:

- Imperial County Hudson Burch (El Centro)
- Imperial County Cruz De Loera (Brawley)
- Los Angeles County Elisa Hong (Northridge)
- Los Angeles County Serena Tarango (Norwalk)
- Los Angeles County Tyler Wu (Walnut)
- Orange County Alexis Schober (Cypress)
- Riverside County Matthew Thomas (Lake Elsinore)
- San Bernardino County Danaya Figueroa (Colton)
- Ventura County Sofia Manzano (Santa Paula)

In addition to the nine SCAG-funded awards, the California Transportation Foundation (CTF) has once again partnered with SCAG to provide funding for one (1) additional scholarship. The California Transportation Foundation was founded in 1988 to create a charity that would support the Caltrans community but later expanded to serve private sector and other public transportation agency employees as well. The Committee voted to recommend the following student for the CTF-funded 2025 SCAG Scholarship Program Award:

- Orange County Noelle Kim (Santa Ana)

2025 SCAG Scholarship Program Funding

SCAG Scholarship Program and related staff support is budgeted as part of the SCAG General Fund. The primary source of funds in the General Fund is the collection of SCAG’s annual membership assessments, and the use of the General Fund is determined by SCAG’s Regional Council and General Assembly. Each year, the General Fund budget is reviewed and approved by the Regional Council and is subsequently adopted by the General Assembly. The Scholarship Program is included as part of the General Fund Budget.

While the California Constitution prohibits gifts of public funds under Article XVI, Section 6, the prohibition does not preclude expenditures and disbursements for public purposes even if a private person incidentally benefits from that expenditure or disbursement (also known as the “public purpose exception”). There is case law to support that the appropriation of public money for the public purpose of furthering the education of the young is not a gift of public funds. Therefore, staff

concludes that the use of the General Fund to pursue SCAG's Scholarship Program is not an unconstitutional gift of public funds and falls within the rule of "public purpose exception."

FISCAL IMPACT:

The SCAG Scholarship Program cost for nine (9) scholarship awards is \$36,000, funding for which is included in the FY 2025-2026 General Fund Budget.

CALL TO ORDER AND PLEDGE OF ALLEGIANCE

President Hagman called the meeting to order at 12:17 p.m. and asked Regional Council Member Frank Yokoyama, Cerritos, District 23, to lead the pledge of allegiance.

PUBLIC COMMENT PERIOD

President Hagman opened the Public Comment Period for persons to comment on any matter pertinent to SCAG's jurisdiction that were not listed on the agenda.

Board Counsel Duran acknowledged there were no public comments before or after the 5:00 p.m. deadline.

Seeing no public comment speakers for items not listed on the agenda, President Hagman closed the Public Comment Period.

Board Counsel Duran noted that Mayor Frank Navarro from the City of Colton was participating through an accommodation under the Americans with Disabilities Act, and noted that under the Brown Act, Mayor Navarro was required to have his video active during the meeting.

REVIEW AND PRIORITIZE AGENDA ITEMS

Before the report on Item No. 1, President Hagman noted they would take one vote on action Item No. 1 and the Consent Calendar.

CHAIR'S REPORT

Rocky Rhodes, Community, Economy and Human Development Committee (CEHD) Vice Chair, reported that they held an election for the Chair and Vice Chair positions of the Committee. He shared that both David J. Shapiro and him were elected as Chair and Vice Chair, respectively. He noted that the Committee welcomed three new committee members: Debbie Baker (La Palma), John Grass (Brawley), and Joe Baca (Rialto). He also reported the Committee heard an information item related to home hardening, featuring two speakers. First, Elizabeth Christy, the Education Program Manager at the U.S. Green Building Council, who presented on best practices and resources on home hardening and other important resilience strategies. The second speaker was Brian Cameron, the President of EPIC Calabasas, who spoke on local home hardening strategies and how they support communities with preparation, prevention, and what should be done if disaster occurs.

There were no comments on the CEHD Chair report.

Jenny Crosswhite, Energy and Environment Committee (EEC) Chair, reported that at the EEC they had two information items. The first item consisted of an overview of components and requirements of safety elements with a resilience focus as well as a presentation from the City of Arcadia on their recently completed Safety Element. She also reported they received a presentation from the South Coast AQMD on proposed rules focused on limiting NOx emissions from residential-sized space heaters and water heaters. She noted that they held an election with Rick Denison and Daniel Ramos being selected as Chair and Vice-Chair, respectively. Lastly, she also thanked Vice Chair Meister for her service.

There were no comments on the EEC Chair report.

Tim Sandoval, Transportation Committee (TC) Chair, reported that last month the Transportation Committee recommended approval of the 2025 Regional Active Transportation Program to the Regional Council, which includes \$35 million to support 15 projects and another \$972 million for 113 contingency projects – all of which support walking, bicycling, and other forms of active transportation in the region. He also reported that the Committee took action to appoint a new Chair and Vice Chair to the Committee. He noted that Mike Judge from Simi Valley representing the Ventura County Transportation Commission was appointed Chair of the committee and Thomas Wong, Monterey Park, was appointed to the position of Vice Chair. He also reported that the Committee received three informational presentations. He indicated they continued their discussion on Regional Recovery and Resilience, with a presentation from the San Bernardino County Transportation Authority on their planning efforts. They also received a presentation from the City of Pasadena—focused on how transit was instrumental in evacuating vulnerable populations that have mobility challenges. Lastly, they received a staff presentation on the Last Mile Freight Program (LMFP) and preliminary findings from their work to date.

There were no comments on the TC Chair report.

With respect to Item No. 4 on the agenda, President Hagman reported he was a member of the South Coast Air Management Quality District (SCAQMD) and noted for the record that he did not have a financial interest. Regional Council Member Patricia Lock Dawson also acknowledged she was a member and did not have a financial interest.

ACTION ITEM

1. Nomination and Election of 2025-26 SCAG Officer Positions

Ruben Duran, Board Counsel, reported that pursuant to SCAG's Bylaws, the Nominating Committee met to consider nominations for SCAG's proposed officers for the upcoming year. He noted that the

Committee unanimously voted to recommend to the Regional Council Honorable Cindy Allen, Long Beach, as President; the Honorable Ray Marquez, City of Chino Hills, as 1st Vice President; and the Honorable Jenny Crosswhite, Santa Paula, as 2nd Vice President. He explained that the process required that the Regional Council vote on that and then it would go to the General Assembly for ratification next month in Palm Desert.

There were no Public Comments on Item 1.

The vote for Item 1 is reflected below with the Consent Calendar.

INFORMATION ITEM

13. Presidential Priorities: Goods Movement and Clean Technology

Kome Ajise, Executive Director, thanked President Hagman for his leadership and noted that this year’s EAC Work Plan was committed to continuing their focus on emerging technologies across all policy areas, including more dialogue and information sharing during Regional Council meetings. He highlighted that in the agenda packet they had included a summary Presidential Priorities Report, which provides an overview of the accomplishments over the fiscal year—focused not only on goods movement, but on clean and emerging technologies more generally, as well as transit recovery. He explained that they would feature a discussion on the importance and continued need for the advancement of clean technologies in goods movement infrastructure. He reported that the Regional Council adopted the Clean Transportation Technology Policy and Resolution on April 6, 2023, to define clean transportation technology as zero- and near-zero emission vehicles (ZEV and NZEV, respectively), their supporting infrastructure, and other supporting products that reduce environmental impact over their life cycle. He emphasized that SCAG has led regionally significant efforts to advance the transition to clean transportation technology within goods movement, including the LMFP and the Zero-Emission Truck Infrastructure Study. He noted that with approval of the CPRG grant they could further invest in these technologies for their region.

Executive Director Ajise briefly took a moment to highlight the LMFP and its progress. He explained that the program has gathered valuable information on operational performance, return on investment, and policy hurdles. He noted that SCAG plans to complete the closeout and gather data for the remaining projects and will continue to leverage the program to support their upcoming Comprehensive Sustainable Freight Plan and the Freight TDM Strategy and Implementation Plan.

President Hagman emphasized the importance of technology and governance, and the need for clean transportation and clean technology to meet statutory goals. He highlighted the need for infrastructure planning to support new technologies. He proceeded to moderate the discussion with the panelists.

Joost de Vries, Chief Executive Officer of ZM Trucks, and Matt Petersen, President and Chief Executive Officer of the Los Angeles Cleantech Incubator, discussed their companies' work in hydrogen and battery electric commercial vehicles and buses. They emphasized the importance of local and regional leadership in moving towards new technologies, and the need for more financial incentives and regulatory support. The discussion focused on the transition to electric vehicles in Southern California, particularly for medium and heavy-duty vehicles. The panelists emphasize the maturity of electric vehicle technology and the need for charging infrastructure.

Regional Council Members engaged the panelist in discussion about workforce development opportunities in the electric vehicle industry and addressed concerns about the transition's impact on small businesses and emergency vehicles. The conversation also touched on the evolving safety of electric vehicle batteries and the importance of a methodical approach to implementation.

14. Legislative Update

Kevin Gilhooley, Legislation Manager, provided a legislative update. He noted that 2,500 bills had been introduced in Sacramento, with many amended and undergoing reviews. He reported that the Sacramento Summit was successful, with meetings with elected officials and agency leadership. He shared that the Governor's May Revise was upcoming, and discussions on a potential housing bond were ongoing. With respect to Washington, DC, he reported Congress had been focused on government funding and Republican-led Reconciliation bills. He shared that the Government was now funded through the end of the current fiscal year, and Republicans were turning their attention to identifying a path forward for the reconciliation package for fiscal year 2026. He also provided a comprehensive update on the ongoing efforts of the Trump administration, particularly focusing on the Department of Transportation (DOT). He mentioned that the administration was eliminating staff agencies through layoffs and was urging DOT staff to finalize discretionary grant programs. He also discussed the Secretary's testimony before the Senate Environment and Public Works Committee regarding transportation reauthorization. He highlighted the commitment to expediting project delivery and the need for permit reform. Lastly, he mentioned the release of the first major notice of funding opportunity under the Trump administration for the Safe Streets and Roads for All program. The conversation ended with a discussion on how members of the Regional Council can participate in lobbying trips to Washington and Sacramento.

BUSINESS REPORT

Regional Council member Lucy Dunn reported that her business report was on page 136 of the agenda packet. She discussed the economic benefits of ports and the importance of rebuilding properties quickly. She also mentioned the formation of a private sector group called Steadfast LA and the potential for a list of private sector helplines. She highlighted the challenges of insurance rates and the need for Commissioner Lara to make the right decision. She also discussed the impact of tariffs on businesses and the need for internal recession planning. She encouraged local governments to consider opportunities for growth and to partner with the business community.

Regional Council Member Mike Goodsell, ICTC, discussed challenges in the insurance industry, warning of potential rate increases and companies leaving California.

Regional Council Member Karen Spiegel, Riverside County, raised concerns about insurance companies terminating policies for arbitrary reasons.

PRESIDENT'S REPORT

President Hagman noted that the conversation of insurance was currently a huge topic. He expressed that he thought there was a role to play for them as local government in the discussion.

EXECUTIVE DIRECTOR'S REPORT

Executive Director Ajise provided an update on the Climate Pollution Reduction Grant Agreement and noted that they had just approved the acceptance of \$50 million in sub-Award from the SCAQMD which would expand SCAG's LMFP. He indicated that this sub grant recipient status would allow them to use the \$50 million to enable more class 4 and 5 battery electric vehicles in their LMFP through a rebate process. He noted they would bring more information as they got agreements in place. He also thanked the Regional Council for their approval of the 2025 Regional Active Transportation Program. He noted that they would submit the program to the California Transportation Commission for adoption in June. He also expressed that they looked towards moving forward with this plan for \$35 million to support 15 projects and another \$972 million for 113 contingency projects – all of which support walking, bicycling, and other forms of active transportation in the region. He reported that STBG/CMAQ, a \$1.2 billion call for projects, opened March 31. He noted that the projects eligible for this program were being funded over two fiscal years. He also explained that SCAG and their County Transportation Commissions hosted a total of seven workshops to support grantees in preparing their applications. He indicated that applications were due through May, and they would bring those recommendations to the Regional Council in December 2025. He also reported that they had a visit with Commissioner Lara to talk about the insurance issue. He indicated that the Commissioner was working hard to bring back insurance companies to write policies in California. He also shared that the Commissioner had

indicated that he had potential funding for climate resilience districts. He also shared that Commissioner Lara was working with Assemblymember Calderon on AB 888 to create the California Safe Homes Grant Program. He noted that the Go Human program was recognized last month with the Eureka! Award for Regional Excellence by the California Association of Councils of Governments at its annual Regional Leadership Forum. He shared that Immediate Past President Jan Harnik and Chief of Government and Public Affairs Officer Javiera Cartagena were in Sacramento to receive the award and made brief remarks. He also congratulated Regional Councilmembers Cindy Allen and Thomas Wong, who were recognized as Elected Official of the Year in their respective LA County Supervisorial Districts at the 2025 BizFed Awards on March 21.

FUTURE AGENDA ITEMS

There were no future agenda items.

ANNOUNCEMENTS

President Hagman also noted that he hoped to see everyone at the General Assembly in Palm Desert. He indicated it was a good opportunity to network.

ADJOURNMENT

There being no further business, President Hagman adjourned the meeting of the Regional Council at 1:33 p.m.

AGENDA ITEM 3
REPORT

Southern California Association of Governments
May 1, 2025

To: Executive/Administration Committee (EAC)
Regional Council (RC)

**EXECUTIVE DIRECTOR'S
APPROVAL**

From: Cindy Giraldo, Chief Financial Officer
(213) 630-1413, giraldo@scag.ca.gov

Subject: Resolution No. 25-673-1 Approving the Fiscal Year 2025-26 Final
Comprehensive Budget

RECOMMENDED ACTION FOR EAC:

That the Executive Administration Committee recommend that the Regional Council:

- 1) Adopt Resolution No. 25-673-1 approving the Fiscal Year 2025-26 (FY 2025-26) Final Comprehensive Budget, subject to approval of the General Fund Budget and Membership Dues Assessment by the SCAG General Assembly;
- 2) Authorize the Executive Director, or his designee, to submit the FY 2025-26 Overall Work Program (OWP) to the California Department of Transportation (Caltrans), Federal Highway Administration (FHWA), and Federal Transit Administration (FTA); and
- 3) Authorize the Executive Director, or his designee, to submit the FY 2025-26 Indirect Cost Rate Proposal (ICRP) and the FY 2025-26 Fringe Benefits Cost Rate Proposal to the FTA.

RECOMMENDED ACTION FOR RC:

That the Regional Council:

- 1) Adopt Resolution No. 25-673-1 approving the Fiscal Year 2025-26 (FY 2025-26) Final Comprehensive Budget, subject to approval of the General Fund Budget and Membership Dues Assessment by the SCAG General Assembly;
- 2) Authorize the Executive Director, or his designee, to submit the FY 2025-26 Overall Work Program (OWP) to the California Department of Transportation (Caltrans), Federal Highway Administration (FHWA), and Federal Transit Administration (FTA); and
- 3) Authorize the Executive Director, or his designee, to submit the FY 2025-26 Indirect Cost Rate Proposal (ICRP) and the FY 2025-26 Fringe Benefits Cost Rate Proposal to the FTA.

STRATEGIC PRIORITIES:

This item supports the following Strategic Priority 5: Secure and optimize diverse funding sources to support regional priorities.

EXECUTIVE SUMMARY:

On March 5 and 6, 2025, the EAC and RC, respectively, approved the FY 2025-26 Draft Comprehensive Budget, which included the FY 2025-26 Draft Overall Work Program (OWP), the

General Fund Budget and Membership Assessment, the Federal Transit Administration (FTA) Discretionary and Formula Grant Budget, the Transportation Development Act (TDA) Budget, the Indirect Cost Budget, and the Fringe Benefits Budget. Additionally, the Regional Council authorized the release of the FY 2025-26 Draft OWP for a 30-day public comment period and the transmittal of the FY 2025-26 General Fund Budget and Membership Dues Assessment to the SCAG General Assembly for adoption on May 1, 2025.

The FY 2025-26 Final Comprehensive Budget meets SCAG's primary responsibility requirements and furthers the implementation of our long-range Regional Transportation Plan/Sustainable Communities Strategy, Connect SoCal. The FY 2025-26 Draft OWP was submitted to Caltrans, FHWA, and FTA for their review and comment. The comments received from Caltrans, FHWA and FTA were addressed and incorporated into the FY 2025-26 Final OWP. The Final OWP includes an annual self-certification form in which SCAG certifies that its transportation planning process is being carried out in accordance with all applicable requirements.

Changes between the Draft Comprehensive budget approved and the Final FY 2025-26 Comprehensive Budget total \$24,119,145. This change is attributable to the carryover of budget adjustments approved by the Regional Council in April as part of the FY 2024-25 Budget Amendment 02, in the amount of \$28,939,553, offset by a reduction of (\$4,897,908) to reflect updated FY 2024-25 spending estimates for multiyear projects, and \$77,500 of new funding and budget requests.

Staff recommends approval of the FY 2025-26 Final Comprehensive Budget in the amount of \$414,938,391 million, which is \$24,119,145 million or 6% more than the FY 2025-26 Draft Comprehensive Budget. The changes between the Draft and Final Budget are discussed below.

DISCUSSION:

The FY 2025-26 Final Comprehensive Budget is \$414.9 million, \$24.1 million more than the FY 2025-26 Draft Comprehensive Budget. **Table 1** summarizes funding source changes between the FY 2025-26 Draft Comprehensive Budget and the FY 2025-26 Final Comprehensive Budget. The increase is primarily due to the carryover of funding added in April through the FY 2024-25 Budget Amendment 02 (FY25 BA2) in the amount of \$28.9 million, carryover adjustments to reflect updates to the FY 2024-25 expenditure estimates for multiyear projects in the amount of (\$4.9) million, as well \$77.5K to fund three new budget requests.

Changes Incorporated into the Final Comprehensive Budget and OWP

The FY 2025-26 Final Comprehensive Budget is \$414.9 million, \$24.1 million more than the FY 2025-26 Draft Comprehensive Budget. The increase is attributable as follows:

- 1) \$28.9 million for the carryover of budget adjustments for multiyear projects approved through FY25 BA2 in April.
- 2) (\$4.9) million reduction to adjust budget carryover on multiyear projects. The budget development process kicked off earlier this fiscal year and these adjustments are made to reflect the updated spending estimates through June 30, 2025.
- 3) \$77.5K of new funding and budget requests, including:
 - a) \$27.5K in new Department of Energy (DOE) funds passed through to SCAG by partner agencies (It's Electric and Charge Across Town) to fund outreach and stakeholder engagement activities for the Clean Cities Coalition program;
 - b) \$25K for a legal services contract to assist with CEQA requirements related to Connect SoCal; and
 - c) \$25K in new funds from the California Emerging Technology Fund (CETF) to continue the Broadband planning work.

The Comprehensive Budget is comprised of several Budgets, including:

- OWP Budget;
- FTA Discretionary and Formula Grant Budget;
- TDA Budget;
- General Fund Budget;
- Fringe Benefits Budget; and
- Indirect Cost Budget

The \$24.1 million increase between the FY 2025-26 Draft Comprehensive Budget and the FY 2025-26 Final Comprehensive Budget is entirely within the OWP Budget.

A. Overall Work Program (OWP)

The Draft OWP was released for a 30-day public comment period, from March 6 to April 7, 2025, and submitted to Caltrans, FHWA, and FTA for their review and comment. No comments were received from the general public. The comments received from Caltrans were addressed and incorporated into the Final OWP. The Final OWP also includes an annual self-certification form in which SCAG certifies that its transportation planning process is being carried out in accordance with all applicable requirements. Following approval of the EAC and RC, the FY 2025-26 Final OWP will be submitted to Caltrans no later than May 9, 2025.

The FY 2025-26 Final OWP budget is \$408.5 million, \$24.1 million more than the Draft OWP budget. **Attachment 3** includes a list of budget changes incorporated since the Regional Council approval of the Draft Comprehensive Budget and OWP in March.

The OWP line-item expenditures are described beginning on page 26 of the FY 2025-26 Final Comprehensive Budget, and the FY 2025-26 Final OWP is available online at <https://scag.ca.gov/financial-overall-work-program>.

B. Salary Update and Personnel Changes

On April 3, 2025, the EAC and RC, respectively approved FY25 BA2, which included the addition of one new classification, a Legislative Affairs Supervisor. This classification has been added to the FY 2025-26 Salary Schedule and is incorporated into the FY 2025-26 Final Comprehensive Budget (page 67).

C. General Fund and Other Budget Programs

There were no changes to the General Fund Budget. The proposed General Fund Budget is \$2.82 million. The General Fund Budget and Membership Assessment will be submitted to the General Assembly for approval on May 1, 2025. The Membership Assessment is calculated in accordance with the SCAG bylaws, and the membership dues have been adjusted by the recent year-over-year change in the Consumer Price Index, which is 3.4240%.

There were no changes to the FTA Discretionary and Formula Grant Budget, the TDA Budget, the Indirect Cost Budget, and the Fringe Benefits Budget between the FY 2025-26 Draft Comprehensive Budget and the FY 2025-26 Final Comprehensive Budget.

FISCAL IMPACT:

The FY 2025-26 Comprehensive Budget guides the management of the agency's financial resources. The OWP is SCAG's transportation planning grant application for federal and state funds through Caltrans and contract for the state fiscal year, July 1 through June 30. Approval of the budget document will allow SCAG to receive federal and state planning funds for FY 2025-26.

WHEREAS, the Southern California Association of Governments (SCAG) is the Metropolitan Planning Organization, for the six-county region consisting of Los Angeles, Orange, San Bernardino, Riverside, Ventura, and Imperial counties pursuant to 23 U.S.C. § 134 et seq. and 49 U.S.C. § 5303 et seq.; and

WHEREAS, SCAG has developed the Fiscal Year (FY) 2025-26 Comprehensive Budget that includes the following budget components: the Overall Work Program (OWP); the FTA Discretionary and Formula Grant Budget; the TDA Budget; the General Fund Budget; the Indirect Cost Budget; and the Fringe Benefits Budget; and

WHEREAS, the OWP is the basis for SCAG's annual regional planning activities and budget; and

WHEREAS, in conjunction with the OWP Agreement and Master Fund Transfer Agreement, the OWP constitutes the annual funding contract between the State of California Department of Transportation (Caltrans) and SCAG for the Consolidated Planning Grant (CPG), and the Sustainable Transportation Planning Grants; and

WHEREAS, SCAG is also eligible to receive other Federal and/or State grant funds and/or local funds for certain regional transportation planning related activities. For such funding upon award, the funds are implemented through the OWP and SCAG and the applicable Federal or State agency shall execute the applicable grant agreement(s); and

WHEREAS, SCAG's Regional Council authorized release of the FY 2025-26 Draft OWP for a thirty-day public comment period on March 6, 2025, and submitted the Draft OWP to Caltrans, the Federal Transportation Agency and the Federal Highway Administration for review and comment. All comments received to the Draft OWP have been addressed and incorporated into the FY 2025-26 Final OWP within the Comprehensive Budget as appropriate; and

WHEREAS, the FY 2025-26 Comprehensive Budget, along with its corresponding staff report and this resolution, has been reviewed and discussed by SCAG's Regional Council on May 1, 2025.

NOW, THEREFORE, BE IT RESOLVED, by the Regional Council of the Southern California Association of Governments, that the FY 2025-26 Comprehensive Budget is approved and adopted.

Attachment: Resolution No. 25-673-1 Approving the FY 2025-26 Comprehensive Budget including the Overall Work Program (OWP) (Resolution

BE IT FURTHER RESOLVED THAT:

1. The Regional Council hereby authorizes submittal of the FY 2025-26 OWP to the participating State and Federal agencies.
2. The Regional Council hereby authorizes submittal of SCAG's approved FY 2025-26 Indirect Cost Rate Proposal (ICRP) to the participating State and Federal agencies.
3. SCAG pledges to pay or secure in cash or services, or both, the matching funds necessary for financial assistance.
4. The SCAG Executive Director, or in his or her absence, the Chief Financial Officer, is hereby designated and authorized to execute all related agreements and other documents on behalf of the Regional Council.
5. The SCAG Bylaws give the SCAG Executive Director authority to administer the Personnel Rules. In accordance with that authority, the SCAG Executive Director, or in his or her absence, the Chief Financial Officer, is hereby designated and authorized to make administrative amendments to the FY 2025-26 Comprehensive Budget including the OWP to implement the Personnel Rules.
6. The SCAG Executive Director, or in his or her absence, the Chief Financial Officer, is hereby authorized to make and submit to the applicable funding agencies, the necessary work program, and budget amendments to SCAG's FY 2025-26 Comprehensive Budget including the OWP, based on actual available funds and to draw funds as necessary on a line of credit or other requisition basis.
7. The SCAG Executive Director, or in his or her absence, the Chief Financial Officer, is hereby authorized to submit grant applications and execute the applicable grant agreements and any amendments with the applicable Federal or State agency and to implement grant funds through SCAG's OWP, and this includes submittal and execution of the required program updates to the Department of Housing and Community Development (HCD) for REAP 2.0 funding, as well as Overall Work Program Agreement (OWPA) and the Master Fund Transfer Agreement (MFTA) with Caltrans, as part of the Caltrans Sustainable Transportation Planning Grant Programs, which includes grant projects entitled:
 - a. The Soboba Tribal Climate Change Adaptation Plan,
 - b. Southern California Airport Passenger Surface Transportation Study, and
 - c. Planning for Main Streets
8. The SCAG Executive Director, or in his or her absence, the Chief Financial Officer, is hereby authorized to make administrative amendments to the FY 2025-26 OWP's REAP 2.0 Budget to reflect the program updates and changes approved by HCD. This authorization includes the ability to reallocate funds, including increasing approved project budgets, between approved projects, as well as shift available funding to SCAG administered regional projects and ATP projects as necessary to maximize the utilization of the funds and advance the goals and objectives of REAP 2.0. Such amendments may be made in advance of formal budget adoption, with any changes included in the next Budget Amendment or Fiscal Year Budget, whichever is sooner.

9. The SCAG Executive Director, or in his or her absence, the Chief Financial Officer, is hereby authorized to make administrative amendments to the FY 2025-26 OWP that do not affect the delivery of regional transportation planning tasks, activities, steps, products, or the funding amounts listed on the OWPA.
10. The SCAG Executive Director, or in his or her absence, the Chief Financial Officer, is hereby authorized to make administrative amendments to the FY 2025-26 General Fund Budget; the Indirect Cost Budget; the Fringe Benefit Budget; FTA Discretionary and Formula Grant Budget; and the TDA Budget that do not exceed the overall funding amounts approved by the SCAG Regional Council and the participating State and Federal agencies.
11. The SCAG Executive Director, or in his or her absence, the Chief Financial Officer, is hereby authorized to make administrative amendments to the FY 2025-26 TDA Budget, including exceeding the TDA Budget approved by the Regional Council, for the purpose of allocating additional funding to projects that are included in the approved OWP, when such exceedance is necessary to execute or implement the OWP approved by the Regional Council.
12. The Executive Administration Committee, if authorized by the General Assembly through the General Fund budget adoption, and to be consistent with such delegation from the General Assembly, is delegated authority and authorized to make amendments to the FY 2025-26 General Fund Budget that do not impact the Membership Assessment Schedule, including amending the General Fund Budget approved by the General Assembly, when such exceedance is necessary to execute or implement the operational activities and the exceedance can be covered by the Unassigned General Fund balance.
13. The SCAG Executive Director, or in his or her absence, the Chief Financial Officer, is hereby authorized to negotiate and execute subrecipient agreements (e.g., memorandum of understanding) and related documents, on behalf of the Regional Council, involving the expenditure of funds programed under the FY 2025-26 Comprehensive Budget including the OWP.
14. The SCAG Executive Director, or in his or her absence, the Chief Financial Officer, is hereby authorized to use available fund balances from future grant awards received after the adoption of this Budget to hire limited-term staff, as needed, to implement the grant award funded program in advance of formal budget adoption, with any changes included in the next Budget Amendment or Fiscal Year Budget, whichever is sooner.
15. The SCAG Executive Director, or in his or her absence, the Chief Financial Officer, is hereby authorized to use available fund balances to hire up to 10 limited-term staff, as needed, to support and implement SCAG's Enterprise Resource Planning project, with any changes included in the next Budget Amendment or Fiscal Year Budget, whichever is sooner.

PASSED, APPROVED AND ADOPTED by the Regional Council of the Southern California Association of Governments at its regular meeting this 1st day of May, 2025.

COMPREHENSIVE BUDGET FISCAL YEAR 2025-26

SECTION I Overview

ORGANIZATION

INTRODUCTION

This document contains the Southern California Association of Governments (SCAG) Comprehensive Budget for Fiscal Year (FY) 2025-26.

The annual budget consists of the following:

- Overall Work Program (OWP)
A federal, state, and locally funded budget consisting of projects related to regional planning in the areas of transportation, housing, and the environment.
- Federal Transit Administration (FTA) Discretionary & Formula Grant Budget
A budget for federal grant funds of which SCAG is the designated recipient and must pass through to eligible public agencies for specialized transportation programs and projects.
- TDA Budget
A locally funded budget consisting of direct projects that are both inside and outside of the OWP and FTA Discretionary & Formula Grant budget programs.
- General Fund Budget (GF)
A budget that utilizes SCAG members' dues for activities not eligible for federal and state funding.
- Indirect Cost Budget (IC)
The budget for the administrative and operations support of SCAG.
- Fringe Benefits Budget (FB)
The budget for the fringe benefits and leave time of SCAG employees.

ORGANIZATION

SCAG ORGANIZATION

SCAG, founded in 1965, is a Joint Powers Authority under California state law, established as an association of local governments and agencies that voluntarily convene as a forum to address regional issues. Under federal law, SCAG is designated as a Metropolitan Planning Organization (MPO) and under state law as the Multicounty Designated Transportation Planning Agency for the six (6) county Southern California region. Through SCAG, city and county governments throughout Southern California come together to develop solutions to common problems in transportation, housing, air quality, and other issues, and to foster innovative regional solutions that improve the lives of Southern Californians through inclusive collaboration, visionary planning, regional advocacy, information sharing, and promoting best practices.

SCAG's primary responsibilities include the development of the Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS); the Federal Transportation Improvement Program (FTIP); the annual OWP; and the transportation-related portions of local air quality management plans. Under the federal Clean Air Act, SCAG is responsible for determining if regional transportation plans and programs conform with applicable state air quality plans. SCAG's additional functions include the intergovernmental review of regionally significant development projects and the periodic preparation of a Regional Housing Needs Assessment (RHNA).

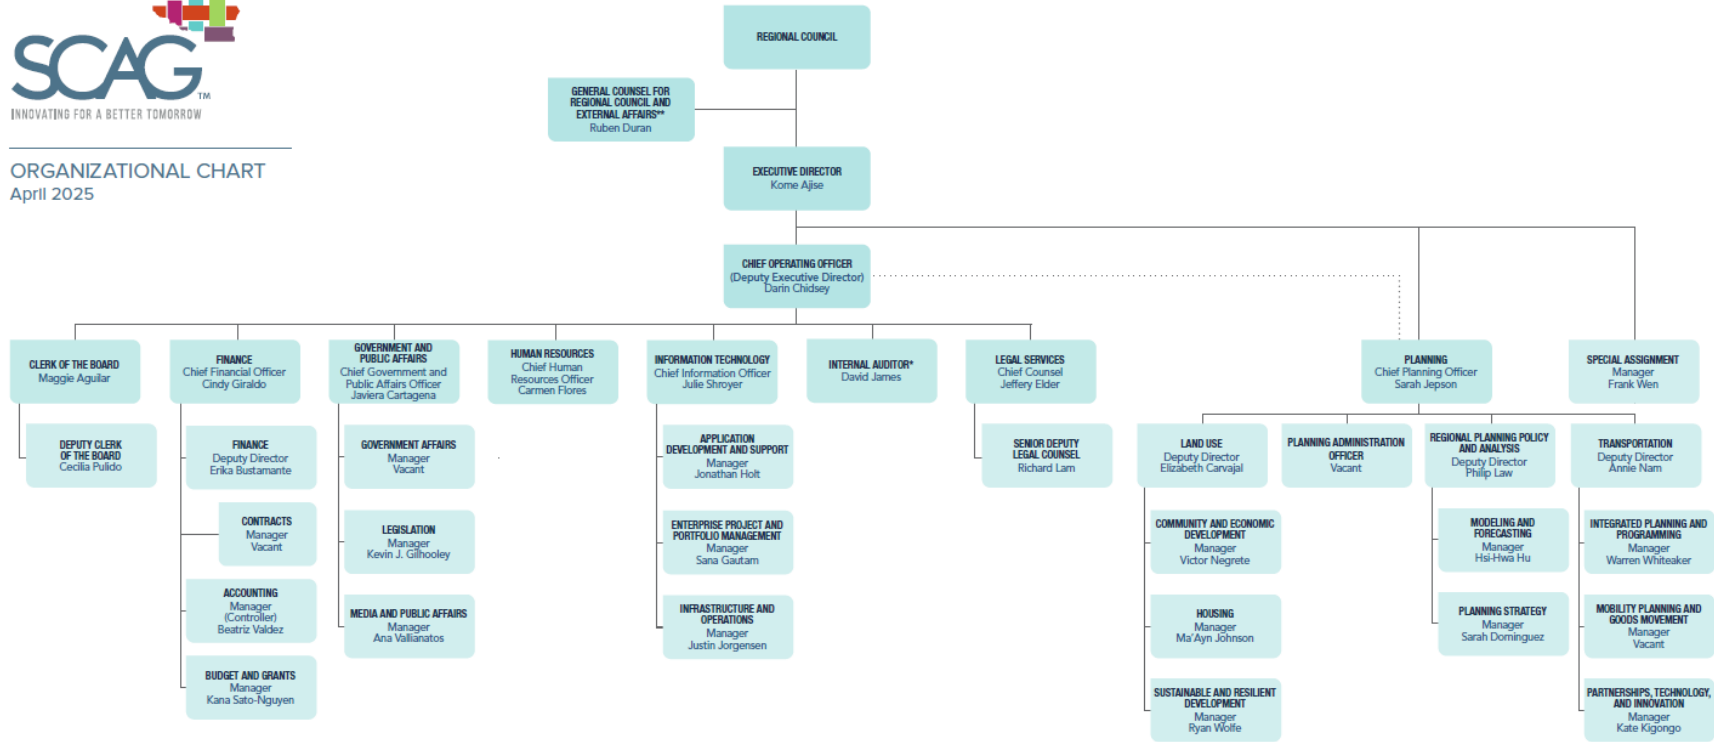

In addition to the six (6) counties and 191 cities that make up SCAG's region, there are six (6) County Transportation Commissions (CTCs) that hold the primary responsibility for programming and implementing transportation projects, programs, and services in their respective counties. The agency also operates via a number of critical partnerships at the local, state, and federal levels. In addition to its federal and state funding partners, including but not limited to, Federal Highway Administration (FHWA), Federal Transit Administration (FTA), Federal Aviation Administration, California Transportation Commission, California Department of Transportation (Caltrans), etc., SCAG's planning efforts are closely coordinated with regional transit operators, Tribal Governments and fifteen sub-regional Councils of Governments (COGs) or joint power agencies that represent SCAG's cities and counties.

The framework for developing the FY 2025-26 Comprehensive Budget is SCAG's multi-year Strategic Plan that focuses on SCAG's vision and priorities and improves the organization and its operations. The FY 2025-26 Comprehensive Budget supports Strategic Plan Priority #5 – Secure and optimize diverse funding sources to support regional priorities. All the work programs funded in the budget support at least one of the six Strategic Plan Priorities.

STRATEGIC PLAN

STRATEGIC PLAN COMPONENTS

Vision Statement

Southern California's Catalyst for a Brighter Future.

Mission Statement

To foster innovative regional solutions that improve the lives of Southern Californians through inclusive collaboration, visionary planning, regional advocacy, information sharing, and promoting best practices.

Core Values

Be Open

Be accessible, respectful, collaborative and transparent in the work we do.

Lead by Example

Lead with integrity and fairness in working to meet the diverse needs of all people and communities in our region.

Make an Impact

In all endeavors, effect positive and sustained outcomes that make our region thrive.

Be Courageous

Have confidence that taking deliberate, bold, and purposeful risks can yield new and valuable benefits.

Cultivate Belonging

Embrace differences, foster equity, champion inclusion and empower all.

STRATEGIC PLAN

STRATEGIC PLAN PRIORITIES

PRIORITY #1

Establish and implement a regional vision for a sustainable future

Objectives

- 1.1 Lead on regional performance-based planning and programming to target investments toward improving the safety, efficiency, affordability, equity, sustainability and maintenance of the transportation system.
- 1.2 Facilitate corridor and network planning to realize seamless mobility and support implementation of Complete Streets, transit and multimodal integration across the SCAG region.
- 1.3 Partner to implement Transportation Demand Management and Intelligent Transportation Systems solutions to optimize system performance while planning for a connected and automated vehicle future.
- 1.4 Lead the effort to establish stable and sustainable transportation funding.
- 1.5 Provide resources and research to develop, connect, and sustain livable and thriving communities.
- 1.6 Identify solutions through regional planning and local planning programs to address systemic barriers to housing production to meet the needs of the region.
- 1.7 Lead efforts and funding opportunities to foster sustainable land use development across the SCAG region to foster growth while conserving and restoring natural and agriculture lands.
- 1.8 Coordinate with partners to meet federal and state ambient air quality standards and support local and regional climate adaptation, mitigation and resilience activities.
- 1.9 Lead and partner on planning and implementation of clean fuel and clean vehicle infrastructure.
- 1.10 Support a sustainable, efficient and productive regional economic environment that provides opportunities for all people in the region.
- 1.11 Lead regional planning to foster a world-class, coordinated Southern California goods movement system that accommodates growth in the throughput of freight to the region and nation in ways that support the region's economic vitality, attainment of clean air standards and quality of life for our communities.

STRATEGIC PLAN

PRIORITY #2

Be a cohesive and influential voice for the region

Objectives

- 2.1. Build a deep understanding of the needs of all our communities and stakeholders to inform our work.
- 2.2. Facilitate regional dialogue and collaboration on key issues for effective policy development.
- 2.3. Build the agency's credibility as a policy thought leader and strengthen relationships with partners across sectors and all levels of government.
- 2.4. Position SCAG as a leader in legislative advocacy and influence key policy areas.
- 2.5. Ensure members and stakeholders understand the impact of SCAG's work and are empowered to lead on regional issues (e.g., development of board policy issues).

PRIORITY #3

Spur innovation and action through leadership in research, analysis and information sharing

Objectives

- 3.1. Ensure SCAG is a trusted source for accurate data and intelligence dedicated to objective analysis of regional plans and assisting local jurisdictions with planning.
- 3.2. Lead in planning research and analysis leveraging cutting-edge tools (e.g. Big Data, AI, Activity Based Model, GIS, Scenario Planning Model, Regional Data Platform) to generate insights to inform regional and local decision-making.
- 3.3. Leverage local planning programs and pilots to reveal local solutions that can be scaled to achieve regional objectives.
- 3.4. Establish models for partnerships internally and with the private sector, universities and Community Based Organizations to leverage the diversity of skills, expertise and experience resident in the region.

PRIORITY #4

Build a unified culture anchored in the pursuit of organizational excellence

Objectives

- 4.1. Cultivate a positive employee experience where all feel valued and inspired to reach their fullest potential.
- 4.2. Utilize internal governance to define, prioritize, and resource operational improvements in support of business objectives, effectiveness and efficiency.
- 4.3. Enhance internal communication, information accessibility and knowledge management.
- 4.4. Leverage effective use of technology to improve efficiency, drive innovation, and optimize collaboration.
- 4.5. Optimize processes for efficient multi-disciplinary ideation and collaboration, from project

STRATEGIC PLAN

initiation to implementation and ongoing maintenance.

PRIORITY #5

Secure and optimize diverse funding sources to support regional priorities

Objectives

- 5.1. Maintain fair, equitable and compliant project selection and funding administration.
- 5.2. Establish recurring revenue to support essential regional needs, including community development and housing initiatives.
- 5.3. Pursue and advocate for new funding opportunities that support member agencies and SCAG.
- 5.4. Preserve and grow existing critical funding sources.
- 5.5. Explore opportunities to develop revenue-generating products and/or services.

COMPREHENSIVE BUDGET

FY 2025-26 COMPREHENSIVE BUDGET

Budget Funding Sources

SCAG receives most of its recurring funding from the Federal Consolidated Planning Grant (CPG), which consists of Metropolitan Planning Funds from FHWA (FHWA PL) and FTA (FTA Section 5303) as well as Sustainable Communities Formula funds. In recent years, SCAG received the Regional Early Action Planning Grants of 2021 (REAP 2.0) from the Department of Housing and Community Development (HCD), which represents more than 50% of the total funding sources for the FY 2025-26 Comprehensive Budget. More information on funding sources is detailed on pages 20-24. The following chart illustrates the source and relative value of SCAG's funding sources.

DESCRIPTION OF BUDGET LINE ITEM

The following chart provides a description of each budget account/line item.

Account/Line Item	Description
500XX Staff	Staff wages including non-worktime.
54300 Consultant	Outside experts retained to provide special expertise.
54308 Consultant CON NI	54308 is to track Consultant Non-Infrastructure (NI) expenditures that are funded with Local Assistance funds. Consultant NI is for outside experts retained to provide special expertise for transportation-related projects that will not involve A&E, Right of Way, and construction activities.
54309 Consultant CE	54309 is to track Consultant Construction Engineering (CE) expenditures that are funded with Local Assistance funds. Consultant CE includes outside experts retained to provide supervision and inspection of construction activities.
54303 Consultant TC	Same as 54300 above. GL 54303 is for Consultant expenditures matched with Toll credits (TC). Toll credits are used in lieu of local matching funds, which allows for work to be 100% funded with federal funds.
54313 Consultant TC CON NI	Same as 54308 above but matched with Toll credits.
54314 Consultant TC CE	Same as 54309 above but matched with Toll credits.
54304 Consultant – Technical Assistance/Pass-Through Payments (TA)	Outside experts retained to provide special expertise for partner agencies' projects and/or sub-allocation/pass-through funding to partner agencies.
54305 Consultant - TA CON NI	54305 is to track Consultant TA CON NI expenditures that are funded with Local Assistance funds.
54306 Consultant - TA CE	54306 is to track Consultant TA CE expenditures that are funded with Local Assistance funds.
54310 Consultant - TA TC CON NI	Same as 54305 above but matched with Toll credits.
54311 Consultant - TA TC CE	Same as 54306 above but matched with Toll credits.
54307 Consultant – TA CON	54307 is to track Consultant TA Construction (CON) expenditures that are funded with Local Assistance funds. CON includes construction costs but excludes costs of Preliminary Engineering, Right of Way and CE.
54312 Consultant – TA TC CON	Same as 54307 above but matched with Toll credits.

COMPREHENSIVE BUDGET FISCAL YEAR 2025-26

SECTION II Budget Components

OVERALL WORK PROGRAM

Overall Work Program (OWP)

The Flow of Funds

Traditionally, the majority of OWP recurring funding has come to SCAG via the Federal appropriations process. Some funding has been directly allocated to SCAG, and some has “passed through” via Caltrans. In recent years, SCAG’s non-recurring funding flow has expanded due to the direct allocation from the California Department of Housing & Community Development (HCD) for the Regional Early Action Planning Grants of 2021. In addition, SCAG has secured various discretionary competitive grants to support its work plan and activities.

Summary of FUNDING Sources

Consolidated Planning Grant (CPG)

In 1997, FHWA/FTA instituted a transportation planning funds process called CPG. In California, the four CPG fund sources are described below.

1. FHWA Metropolitan Planning (FHWA PL)

Metropolitan Planning funds, otherwise known as PL funds, are available for MPOs to carry out the metropolitan transportation planning process required by 23 U.S.C. 134, including the development of metropolitan area transportation plans and transportation improvement programs.

The state must make all federally authorized PL funds available to the MPOs in accordance with a formula developed by the state, in consultation with the MPOs and approved by the FHWA.

2. FTA Metropolitan Planning, Section 5303 (FTA §5303)

All MPOs with an urbanized area receive FTA §5303 funds each year to develop transportation plans and programs. The percentage of the California apportionment of FTA §5303 each MPO receives is determined by a formula agreed to by the MPOs, Caltrans and FTA.

The FTA §5303 formula has two components, a base allocation and a population component, which distributes funds according to the MPO’s percentage of statewide urbanized area population as of the most recent decennial census.

3. FHWA State Planning and Research Part I – Strategic Partnership Grants (SP&R)

Funds transportation planning studies in partnership with Caltrans that address the regional, interregional and statewide need of the State highway system, and assist in achieving other State goals. Caltrans awards these grants through an annual, competitive selection process.

4. FTA State Planning and Research, Section 5304 Strategic Partnerships – Transit (FTA §5304)

Funds local and regional multimodal transportation planning projects, with a focus on transit, in partnership with Caltrans of regional, interregional and statewide significance, that support achieving the Caltrans Mission and other State Goals. Caltrans awards these grants through an annual, competitive selection process.

OVERALL WORK PROGRAM

Sustainable Transportation Planning Grants

The Sustainable Transportation Planning Grants include the State Highway Account (SHA) funds as well as Senate Bill (SB) 1 funds that are deposited into the Road Maintenance and Rehabilitation Account (RMRA). Caltrans awards these grants through an annual, competitive selection as well as a formula-allocation process.

1. State Highway Account

Funds local and regional multimodal transportation and land use planning projects that further the region’s RTP/SCS, contribute to the State’s GHG reduction targets, and assist in achieving other State goals; funds local and regional identification of transportation-related climate vulnerability through the development of climate adaptation plans. Caltrans awards these grants through an annual, competitive selection process.

2. Sustainable Communities SB 1 Formula Grants

Senate Bill (SB) 1, the Road Repair and Accountability Act of 2017, is a transportation funding bill that will provide a reliable source of funds to maintain and integrate the State’s multi-modal transportation system. Beginning in FY 2017-18, approximately \$12.5 million in Sustainable Communities Formula Grants from SB 1 reside under the Sustainable Transportation Planning Grant Program and are allocated via formula (consistent with the FHWA PL formula) to the 18 MPOs. These funds are for local and regional multimodal transportation and land use planning projects that further the region’s RTP/SCS, contribute to the State’s GHG reduction targets, and assist in achieving other State goals.

Local Funds

Each funding source described above requires that local cash or in-kind services be provided as a match. SCAG uses a combination of the following sources to meet the match requirements:

1. Transportation Development Act (TDA)

State of California Public Utilities Code Section 99233.2 authorizes the Transportation Commissions in Los Angeles, Orange, Riverside, and San Bernardino counties to allocate up to ¾ of 1 percent of their local transportation funds to SCAG as the multi-county planning agency for the region. As the largest source of recurring non-federal funding received by SCAG, TDA is used to fund local initiatives and to provide cash match as needed for projects funded with state or federal funds.

2. Cash Match/Local Funds

Funding from local agencies is provided to SCAG to serve as matching funds to the CPG and other grants that require local match for consultant expenditures as a condition of receiving grant funds. For example, the CPG requires a match of 11.47%. Cash/local contributions are also used to augment various projects.

3. In-Kind Match

The CPG and other grants accept in-kind match, as well as cash match, to fulfill the local match requirement for staff costs that is a condition of receiving grant funds. In-kind match includes services, such as staff time, provided by a local agency to support the work funded by a grant.

OVERALL WORK PROGRAM

Special Grant Funds

SCAG receives various discretionary grant funds to carry out a wide array of planning programs such as the Regional Early Action Planning Grants Program, Pedestrian and Bicycle Safety Program, Clean Cities Coalition, Last Mile Freight Program, and Caltrans Local Assistance Active Transportation Program.

1. AB2766/Mobile Source Air Pollution Reduction Review Committee (MSRC) Funds

State Health & Safety Code Section 44225 (AB2766) established MSRC to develop a work program to fund projects that help reduce air pollution from motor vehicles within the South Coast Air District. MSRC provides to SCAG the financial assistance which supports Last Mile Fright Program.

2. Office of Traffic Safety (OTS) Pedestrian and Bicycle Safety Funds

California OTS competitively awards to various agencies for projects that increase awareness of traffic rules, rights, and responsibilities among different age groups.

3. Department of Energy (DOE) Funds

The Department of Energy provides financial assistance to fund projects that provide technical aid and targeted outreach, within the coalition’s territory, to raise awareness and foster a greater understanding of alternative fuels and advanced vehicle technologies to increase the market and decrease petroleum dependence.

4. Active Transportation Program (ATP) Funds

ATP was created by Senate Bill 99 (Chapter 359, Statues of 2013) and Assembly Bill 101 (Chapter 354, Statues of 2013) to encourage increased use of active modes of transportation, such as biking and walking. The ATP program is funded from various federal and state funds appropriated in the annual Budget Act. Caltrans provides administrative oversight for the Programs and ensures that the terms and conditions of the California Transportation Commission’s guidelines.

5. Congressionally Directed Project

The Consolidated Appropriations Act, 2022 (Public Law 117-103) appropriated funding for Highway Infrastructure Programs (HIP), which included a set-aside for Community Project Funding/Congressionally Directed Spending. Caltrans provides administrative oversight for this program. SCAG received an award in the amount of \$480,000 under this program to support Highways to Boulevards Regional Study.

6. Regional Early Action Planning (REAP) Grants Program

As part of the 2021 California Comeback Plan under AB 140, the Regional Early Action Planning Grant of 2021 (REAP 2.0) was established to build on the success of the REAP 2019, but to expand the program focus by integrating housing and climate goals and allowing for broader planning and implementation investments. Up to approximately \$231.5 million is available for SCAG under the REAP 2.0 for eligible activities.

7. Local Agency Technical Assistance Grant Funds

The Public Utilities Commission of the State of California (CPUC) awarded SCAG \$996,058 in grant funds under the Local Agency Technical Assistance (LATA) Program which supports tribes and local

OVERALL WORK PROGRAM

agencies in California to expand broadband services to unserved and underserved communities. The funding will be used to conduct Last Mile Project Assessment for the SCAG region where the assessment would determine and provide high-level design for a maximum of three shovel-ready projects located within underserved communities.

8. Carbon Reduction Program Funds

The Carbon Reduction Program (CRP) is a new program established by the Infrastructure Investment and Jobs Act (IIJA). It funds transportation projects that reduce carbon dioxide emissions from on-road transportation sources. For each fiscal year, 65 percent of CRP funding to the State is apportioned annually by population to MPOs and RTPAs (Local CRP funds). SCAG, as the MPO, is responsible for the selection of Local CRP-funded projects in the SCAG region. Following discussion with key stakeholders and consistent with the Regional Council approval, 65 percent of the Local CRP funds was made available through a Call-for-Projects process and SCAG retained 35 percent of the Local CRP funds to support various projects that achieve regional transportation goals and objectives. Use of the 35 percent of the Local CRP funds is included in the annual SCAG Overall Work Program.

9. Sustainable Agricultural Lands Conservation Program (SALC)

The Sustainable Agricultural Lands Conservation Program (SALC) is a component of the Strategic Growth Council's Affordable Housing and Sustainability Program. It supports the California's greenhouse gas (GHG) emission reduction goals by making strategic investments to protect agricultural lands from conversion to more GHG intensive uses. The funding will be used to develop a Natural & Agricultural Lands Economic and Resilience Benefits Study and Landscape Analysis White Paper for SCAG's six county region.

10. Safe Streets and Roads for All

The Bipartisan Infrastructure Law (BIL) established the Safe Streets and Roads for All (SS4A) discretionary program with \$5 billion in appropriated funds over 5 years, 2022-2026. The SS4A program funds regional, local, and Tribal initiatives through grants to prevent roadway deaths and serious injuries. The award funding from the FY23 cycle will be used to fund three initiatives over five years: the Regional Safety Action Plan, the Go Human Safety Program, and Quick-Build demonstrations. The award funding from the FY24 cycle will be used to create semi-permanent open streets events in partnership with LADOT.

11. Surface Transportation Block Grant Program (STBG)/Congestion Mitigation and Air Quality Improvement Program (CMAQ)

The Surface Transportation Block Grant (STBG) program is a federal funding source that may be used for projects to preserve and improve the conditions and performance of highways, bridges, and public roads, pedestrian and bicycle infrastructure, and transit capital projects. The Congestion Mitigation and Air Quality (CMAQ) Improvement Program is a federal funding source for transportation projects and programs to reduce congestion and improve air quality for areas that do not meet the National Ambient Air Quality Standards for ozone, carbon monoxide, or particulate matter (nonattainment areas) and for former nonattainment areas that are now in compliance (maintenance areas). Roughly \$290 million in STBG and \$290 million in CMAQ funds for a combined

OVERALL WORK PROGRAM

amount of \$580 million annually is apportioned to the SCAG region. As of July 1, 2023, the Southern California Association of Governments (SCAG) is responsible for the selection of STBG/CMAQ-funded projects in the SCAG region. SCAG reserves the right to set aside up to 2.5 percent of the annual obligational authority for STBG and CMAQ funds apportioned to the SCAG region to support regional planning priorities that are led by SCAG and/or in partnership with the County Transportation Commissions (CTCs). Use of the 2.5 percent funds is included in the annual SCAG Overall Work Program.

12. Strategic Innovation for Revenue Collection (SIRC)

The Bipartisan Infrastructure Law (BIL) established the SIRC program to provide discretionary grants to test the feasibility of a road usage fee and other user-based alternative revenue mechanisms to help maintain the long-term solvency of the Highway Trust Fund through pilot projects at the State, local, and regional level. In FY 2024-25, SCAG was awarded \$1.35 million in federal funds to demonstrate the viability and interoperability of a per-mile user-based alternative revenue mechanism with existing toll-based revenue collection mechanisms, in partnership with NextMove by Cintra.

OVERALL WORK PROGRAM

OWP Budget Document

The core regional transportation planning document is the OWP, and its core product is the completion of the Regional Transportation Plan (RTP). The OWP is developed by SCAG on an annual basis and serves as the planning structure that SCAG must adhere to for the state fiscal year, which is July 1 through June 30 of the following calendar year. The OWP includes three component pieces:

1. **Regional Prospectus**
The prospectus section provides the context for understanding the work activities proposed and gives information about the region. It includes, but is not limited to:
 - The region’s regional planning approach
 - The agency’s organizational structure and interagency arrangements
 - An overview of governmental and public involvement
 - The progress made towards implementing the RTP/SCS (Connect SoCal)

2. **Program/Work Elements**
The Program/Work Element identifies specific planning work to be completed during the term of the OWP, as well as a narrative of previous, ongoing, and future year’s work to be completed. It also includes the sources and uses of funds.

3. **Budget Revenue & Expenditure Reports**
These summary reports list all the work elements in the OWP by funding sources and expenditure category.

The OWP, in conjunction with the Overall Work Program Agreement (OWPA) and the regional planning Master Fund Transfer Agreement (MFTA), constitutes the annual funding agreement between the State and SCAG. Although the OWP includes all planning projects to be undertaken by SCAG during the fiscal year, the OWPA and MFTA only include the CPG and Sustainable Transportation Planning Grants, including SB1 grants, described above.

OVERALL WORK PROGRAM

Program/work elements

The following section provides a summary of the OWP Programs and the Strategic Plan goal(s) each program supports.

010 System Planning

Managers: Warren Whiteaker & Philip Law

Program Objective:

Transportation System Planning involves long-term planning for system preservation, system maintenance, optimization of system utilization, system safety, and strategic system expansion of all modes of transportation for people and goods in the six-county region, including Imperial, Los Angeles, Orange, Riverside, San Bernardino, and Ventura. Connect SoCal (RTP/SCS) is the primary vehicle SCAG uses to achieve our transportation system planning goals and objectives. As the MPO for this region, one of SCAG's major responsibilities is to develop, administer, and update the RTP/SCS. The primary objective of this work element is to ensure SCAG is fulfilling its roles and responsibilities in this area as the designated MPO and RTPA for this region. SCAG will ensure that Connect SoCal 2024 is consistent with state and federal requirements while addressing the region's transportation needs.

Strategic Plan:

Supports Priority #1 – Establish and implement a regional vision for a sustainable future.

Supports Priority #2 – Be a cohesive and influential voice for the region.

Supports Priority #3 – Spur innovation and action through leadership in research, analysis, and information sharing.

015 Transportation Finance

Manager: Warren Whiteaker

Program Objective:

This work program is critical to addressing some of SCAG's core activities—specifically, satisfying federal planning requirements on financial constraint; ensuring a reasonably available revenue forecast through the RTP/SCS planning horizon, and addressing system level operation and maintenance cost analyses along with capital cost evaluation of transportation investments. In FY 2024-25, this work program will continue refinement of the Connect SoCal financial plan and provide support for key financial strategies throughout the region.

OVERALL WORK PROGRAM

Strategic Plan:

- Supports Priority #1 – Establish and implement a regional vision for a sustainable future.
- Supports Priority #2 – Be a cohesive and influential voice for the region.
- Supports Priority #5 – Secure and optimize diverse funding sources to support regional priorities.

020 Environmental Planning

Manager: Sarah Dominguez

Program Objective:

In accordance with the California Environmental Quality Act (CEQA), SCAG prepares environmental documentation to ensure regulatory compliance with applicable federal and state environmental laws, monitors changes in environmental compliance requirements, and provides tools and services related to CEQA and CEQA streamlining efforts to support local jurisdictions. SCAG serves as the lead agency responsible for preparing the RTP/SCS Program Environmental Impact Report (PEIR) and addendums, and ensures completion of environmental documentation, such as Categorical Exemptions, for SCAG’s existing programs, as needed. Staff works closely with local and regional agencies and stakeholders and conducts consultation and public outreach during the preparation of environmental documentation.

The Intergovernmental Review (IGR) program provides informational resources to regionally significant projects, plans, and programs to facilitate the consistency of these projects with SCAG’s adopted regional plans, to be determined by the lead agencies; functions as a clearinghouse for applications for federal grants and financial assistance programs, federally required state plans, federal development activities, and environmental documents; serves as an internal resource for submitted project information to support the Connect SoCal update and regional performance monitoring and assessment; and coordinates internal input to integrate performance monitoring in the review of environmental documents for regionally significant projects.

Strategic Plan:

- Supports Priority #1 – Establish and implement a regional vision for a sustainable future.
- Supports Priority #3 – Spur innovation and action through leadership in research, analysis and information sharing.

025 Air Quality and Conformity

Manager: Sarah Dominguez

Program Objective:

The Air Quality Planning and Conformity program oversees and performs regional transportation conformity

OVERALL WORK PROGRAM

determinations and related air quality planning, analysis, documentation, and policy implementation in SCAG region. This includes preparing transportation conformity analyses for RTP/SCS, FTIP, and their amendments; fulfilling federally required interagency consultation, processing and acting as clearinghouse for particulate matter (PM) hot spot analyses for transportation projects through the Transportation Conformity Working Group (TCWG); monitoring, participating in, and reporting on relevant federal, California, and regional air quality rulemaking; collaborating with the California Air Resources Board (ARB) and local air districts on development of air quality management plans/state implementation plans (AQMPs/SIPs); identifying and proactively addressing potential conformity failures and potential highway sanctions; developing SCAG’s portion of South Coast Air Quality Management Plan (commonly known as Appendix IV-C); ensuring the timely implementation of transportation control measures (TCMs); and participating in the development and implementation of the Mobile Source Air Pollution Reduction Review Committee (MSRC) work programs.

Strategic Plan:

- Supports Priority #2 – Be a cohesive and influential voice for the region.
- Supports Priority #3 – Spur innovation and action through leadership in research, analysis and information sharing.

030 Federal Transportation Improvement Program (FTIP)

Manager: Warren Whiteaker

Program Objective:

The Federal Transportation Improvement Program (FTIP) is a federally mandated four-year program of all surface transportation projects and programs that will receive federal funding or are subject to a federally required action. The FTIP is a key programmatic tool that helps to implement the RTP/SCS. The 2023 FTIP was federally approved for transportation conformity on December 16, 2022, and the 2025 FTIP is anticipated to be federally approved for transportation conformity in December 2024. The FTIP is developed to incrementally implement the programs and projects in the RTP/SCS in accordance with federal and state requirements. The FTIP is amended on an on-going basis, as necessary, thereby allowing projects consistent with the RTP/SCS to move forward toward implementation. SCAG continues to work with consultant to enhance the functionality of the eFTIP database to ensure requirements to programming and performance monitoring are consistent with federal guidance.

Consistent with the findings of the region’s 2022 Federal Certification Review, SCAG also selects, monitors, and manages Congestion Mitigation and Air Quality Improvement (CMAQ), Surface Transportation Block Grant (STBG), and Carbon Reduction Program (CRP) federally funded projects. Selected projects advance Connect SoCal and associated performance targets.

Strategic Plan:

- Supports Priority #1 – Establish and implement a regional vision for a sustainable future.

OVERALL WORK PROGRAM

Supports Priority #2 – Be a cohesive and influential voice for the region.

Supports Priority #5 – Secure and optimize diverse funding sources to support regional planning.

045 Geographic Information Systems (GIS)

Managers: Hsi-Hwa Hu & Jonathan Holt

Program Objective:

Analyzing and visualizing regional geographic data, often on a map, is where many Planning efforts begin. This program provides agency-wide GIS operations and support. It fosters widespread use of geographic data in data-driven planning, geospatial analysis, data visualization, GIS mapping, as well as GIS application development by leveraging location intelligence. To enhance GIS workflows, staff applies GIS modeling and analytics techniques to streamline regional geospatial database development and maintenance processes. GIS staff establishes innovative analytical and visualization methodologies to facilitate and support policy and planning analysis. In addition, GIS staff provides professional GIS technical support and training to SCAG staff. To support SCAG’s ongoing role as a Regional Information Center, the program manages and maintains regional geospatial data and information for policy and planning analysis for Southern California and provides data and visualization services and support to better serve the needs of the agency and stakeholders.

Additional goals include developing cutting-edge web-GIS applications and tools for information sharing and innovative planning; developing and managing SCAG’s Enterprise GIS and RDP systems (including GIS hardware/software, GIS database, GIS analysis, and GIS applications); developing and implementing GIS governance and GIS data management standards and providing value-added GIS technical services and products to our local jurisdictions.

Strategic Plan:

Supports Priority #3 - Spur innovation and action through leadership in research, analysis and information sharing.

Supports Priority #4 - Build a unified culture anchored in the pursuit of organizational excellence.

050 Active Transportation Planning

Manager: Philip Law

Program Objective:

SCAG will continue to research and explore opportunities and partnerships to implement the core regional active transportation strategies. In addition, SCAG will develop partnerships and strategies that are coordinated with the deployment of shared mobility services to advance complete streets goals and reduce the use of Single Occupancy Vehicles (SOVs) for short trips. SCAG will also work with Caltrans, counties, and individual cities to

OVERALL WORK PROGRAM

fund local active transportation plans and multi-jurisdictional active transportation projects that are part of Connect SoCal, the 2024 RTP/SCS.

SCAG will also continue to manage the Regional Active Transportation Program, including providing technical assistance to project sponsors, managing planning and program grants, tracking project delivery, and preparing program amendments, as necessary. SCAG will provide leadership and input at the state and regional levels to ensure future funding cycles align with regional planning goals. Through continued collaboration with the California Transportation Commission, Caltrans and the Southern California county transportation commissions, SCAG will also work to improve the application and allocation procedures.

Efforts will also be continued to expand and support capability to measure the impact of active transportation investments, including through better data collection, modeling, and co-benefit analysis (focusing on greenhouse gas emissions, public health and the economy).

Strategic Plan:

Supports Priority #1 – Establish and implement a regional vision for a sustainable future.

Supports Priority #2 – Be a cohesive and influential voice for the region.

Supports Priority #3 – Spur innovation and action through leadership in research, analysis, and information sharing.

055 Regional Forecasting, Socioeconomic Technical & Policy Analysis

Managers: Ryan Wolfe & Hsi-Hwa Hu

Program Objective:

The key focus of this work element is to collect, compile, assess, analyze, and research socioeconomic, technology advancement, and demographic data and their trends, develop value-added information products, including but not limited to regional and county-level population, household and employment estimates and projections to inform regional planning and policy development.

This program also addresses the following: promote and advance in-house research and capacity with trainings and teaching research methodology, data, analytical tools - GIS, statistics, programming across the agency. Collaboration with universities, research institutes and planning partners and peer agencies jointly conduct research and data sharing on important and emerging regional challenges and issues. Serve as the regional data and information hub, promote data and information driven decision-making process and outcome. Additional program objectives include actively promoting and advocating for SCAG’s innovative planning practices and experiences across the nation and internationally by organizing and conducting summits, workshops, symposiums, participation, presentation at key conferences, and publications in the peer-reviewed journals.

OVERALL WORK PROGRAM

Strategic Plan:

Supports Priority #1 - Establish and implement a regional vision for a sustainable future.
Supports Priority #2 - Be a cohesive and influential voice for the region.
Supports Priority #3 - Spur innovation and action through leadership in research, analysis and information sharing.

060 Corridor Planning

Manager: Philip Law

Program Objective:

Staff will provide input to the RTP/SCS on the design concept and scope of major transportation corridor investments, as identified upon the completion of corridor planning studies conducted under this work element and in partnership with other agencies. Staff will also initiate and/or support our partners in developing comprehensive, multi-modal and sustainable corridor plans that will meet the needs of the region, including providing a greater diversity of mobility choices and a well maintained, sustainable and safer transportation system. Additionally, staff will ensure that corridor planning studies are completed in accordance with federal transportation planning requirements as identified in 23 CFR 450. Lastly, staff will engage with state and local partners, including Caltrans and local jurisdictions, on efforts to reconnect communities by planning for the removal, retrofit, or mitigation of existing transportation facilities (e.g., highways or rail lines).

Strategic Plan:

Supports Priority #1 – Establish and implement a regional vision for a sustainable future.
Supports Priority #2 – Be a cohesive and influential voice for the region.
Supports Priority #3 – Spur innovation and action through leadership in research, analysis, and information sharing.

065 Sustainability Program

Manager: Ryan Wolfe

Program Objective:

SCAG’s Sustainability Program is a core effort for implementing the Connect SoCal, the 2024 RTP/SCS. The program demonstrates that the region can achieve mobility, air quality, and public health goals through local land use and policy changes along with targeted transportation investments. The program also focuses on developing regional resiliency strategies; explores pressing issues and possible challenges Southern California’s residents may face in the coming decades, including climate change impacts to public health; furthers the region’s ability to model the impacts of transportation and land use changes on public health; and considers ways to address potential disruptions to anticipated regional development patterns and transportation

OVERALL WORK PROGRAM

investments.

Strategic Plan:

Supports Priority #1 - Establish and implement a regional vision for a sustainable future.

070 Modeling

Manager: Hsi-Hwa Hu

Program Objective:

Provide data and modeling services for the development and implementation of the RTP/SCS, FTIP, and other major land use and transportation planning initiatives. Analyze socioeconomic data and build analytical foundations for planning activities. Develop small area demographic and employment growth forecast through collaborating with local jurisdictions and peer planning agencies and building consensus. Continue to provide small area socioeconomic data for scenario planning and transportation modeling. Provide member agencies tools and data to analyze the impacts of their land use and planning decisions. Develop, maintain, and improve SCAG’s forecasting and modeling tools to more effectively forecast small area growth, impacts of alternative scenarios, regional travel demand and estimate resulting air quality. Maintain a leadership role in the Southern California modeling community by coordinating the Region’s modeling activities. Provide technical assistance and data services to support planning analysis of member agencies and other public institutions. Promote model consistency through an active subregional modeling program. Continue ongoing modeling collaboration with SCAG’s partners to advance the region’s modeling practices.

Strategic Plan:

Supports Priority #1 - Establish and implement a regional vision for a sustainable future.

Supports Priority #2 - Be a cohesive and influential voice for the region.

Supports Priority #3 - Spur innovation and action through leadership in research, analysis and information sharing.

080 Performance Assessment, Monitoring, & Strategy

Manager: Sarah Dominguez

Program Objective:

Provide performance assessment and monitoring of the SCAG region that is consistent with federal performance-based planning, monitoring, and reporting guidance. Ensure the region is on track toward achieving the goals of the RTP/SCS (Connect SoCal) and in the implementation of Connect SoCal. Performance Assessment, Monitoring, and Strategy tasks including the collection and analysis of data needed to identify and evaluate regional growth and development trends, transportation system performance, environmental quality,

OVERALL WORK PROGRAM

regional sustainability and climate resilience, public health, housing affordability, and the socioeconomic well-being of people in the region.

The results of the regional performance monitoring and assessment program provide the basis for informed policy making, investment planning, and the effective implementation of Connect SoCal. To support this effort, SCAG is in the process of developing a regional performance monitoring dashboard application to enhance the visualization, communication, and reporting of regional performance relative Connect SoCal objectives. The provision of assistance to local jurisdictions in the implementation of the revised CEQA transportation impact assessment requirements established through SB 743 is also included in this task item. This program also coordinates with the California Department of Transportation (Caltrans) in the management of the annual local data collection process in support of the Highway Performance Monitoring System (HPMS).

Strategic Plan:

- Supports Priority #1 – Establish and implement a regional vision for a sustainable future.
- Supports Priority #2 – Be a cohesive and influential voice for the region.
- Supports Priority #3 – Spur innovation and action through leadership in research, analysis and information sharing.

090 Public Information & Communications

Manager: Ana Vallianatos

Program Objective:

Develop and execute a comprehensive external communications program that informs the region’s diverse audiences about SCAG programs, plans, initiatives, and services. SCAG’s communications strategies facilitate the agency’s transportation planning activities by helping to inform the general public, media, agency stakeholders and partners about the existence, purpose and potential impact of these activities, and to convey this information in ways that are engaging and easy to understand for general audiences. SCAG communicates through various email and social media channels, engagement with local media, video production, websites, print collateral and workshops/events.

Strategic Plan:

- Supports Priority #1 – Establish and implement a regional vision for a sustainable future.
- Supports Priority #2 – Be a cohesive and influential voice for the region.

095 Regional Outreach & Public Participation

Manager: Kevin Gilhooley & Carmen Flores

OVERALL WORK PROGRAM

Program Objective:

Provide support for federal and state mandated public outreach for SCAG’s planning activities. Engage regional stakeholders in the SCAG planning and programming process through the support, assessment, and enhancement of outreach efforts to local governments, tribal governments, and members of the various stakeholder entities, including academia, business, community, and environmental groups, as well as other interested parties. The SCAG Regional Offices are critical components in these efforts, with SCAG staff assigned to an office in each county in the SCAG region.

Strategic Plan:

Supports Priority #2 – Be a cohesive and influential voice for the region.

Supports Priority #4 – Build a unified culture anchored in the pursuit of organizational excellence.

100 Intelligent Transportation Systems (ITS) and Smart Cities

Manager: Kate Kigongo, Philip Law & Warren Whiteaker

Program Objective:

Under this program, staff will identify and create plans, policies, and tools to support deployment and integration of technologies and Smart Cities strategies, to achieve regional goals including mobility and sustainability. SCAG will plan for and support ubiquitous regional broadband deployment, access and adoption to provide the necessary infrastructure and supporting policies for Smart Cities Strategies and other transportation planning initiatives and will work towards documenting and disseminating the benefits of these strategies throughout the region. SCAG will continue engaging with regional stakeholders on ITS and ITS related matters, including use and maintenance of the updated Regional ITS Architecture. Additionally, SCAG will maintain the web-accessible Architecture and provide documentation to maximize its usability and ensure on-going maintenance. SCAG will seek to provide training and educational opportunities to stakeholders on ITS related topics in partnership with FHWA/Caltrans as opportunities become available.

Strategic Plan:

Supports Priority #1 - Establish and implement a regional vision for a sustainable future.

Supports Priority #2 - Be a cohesive and influential voice for the region.

Supports Priority #3 - Spur innovation and action through leadership in research, analysis and information sharing.

Supports Priority #5 - Secure and optimize diverse funding sources to support regional priorities.

115 Clean Technology Program

OVERALL WORK PROGRAM

Manager: Kate Kigongo

Program Objective:

Through the Clean Technology Program, SCAG will work towards the Connect So Cal long term vision of a zero-emission transportation system, using cleaner mobility options where zero emission options are not feasible. SCAG will identify and create plans, policies, and tools to support demonstration, deployment and integration of clean mobility strategies consistent with regional goals; to continue engaging with regional stakeholders on clean mobility related matters, develop planning tools, provide technical assistance, and prepare the region for funding opportunities to support this objective; and to develop and convey Clean Mobility strategies in the Connect SoCal update and support modeling efforts on clean mobility assumptions and analysis.

Strategic Plan:

- Supports Priority #1 - Establish and implement a regional vision for a sustainable future.
- Supports Priority #2 - Be a cohesive and influential voice for the region.
- Supports Priority #3 - Spur innovation and action through leadership in research, analysis and information sharing.
- Supports Priority #5 - Secure and optimize diverse funding sources to support regional priorities.

120 OWP Development & Administration

Manager: Kana Sato-Nguyen

Program Objective:

Develop, administer, and monitor the Overall Work Program (OWP). The OWP is a required function of SCAG as the Metropolitan Planning Organization (MPO) for this region and provides a detailed description of the planning activities that will be completed by the MPO and its partners in the fiscal year.

Strategic Plan:

- Supports Priority #5 – Secure and optimize diverse funding sources to support regional priorities.

130 Goods Movement

Manager: Philip Law

Program Objective:

This work program focuses on integrating freight related transportation initiatives into the regional transportation planning process, including through development of the Comprehensive Sustainable Freight

OVERALL WORK PROGRAM

Plan and Implementation Strategy. This includes but is not limited to a systems level plan for inland port strategies, along with strategic operational approaches to address increasing supply chain volatility and to prepare for major events. Under this program, SCAG will plan and advocate for funding, policies, and programs to optimize the intermodal goods movement network through increases in economic efficiency, congestion mitigation, safety and air quality improvements, mitigation of community impacts, and enhancements to system security.

Strategic Plan:

- Supports Priority #1 – Establish and implement a regional vision for a sustainable future.
- Supports Priority #2 – Be a cohesive and influential voice for the region.
- Supports Priority #3 – Spur innovation and action through leadership in research, analysis, and information sharing.
- Supports Priority #5 – Secure and optimize diverse funding sources to support regional priorities.

140 Transit and Rail Planning

Manager: Philip Law

Program Objective:

SCAG supports and engages transit and rail operations in corridor and regional planning efforts and in further refining the transit and rail strategies for inclusion in future updates to Connect SoCal. SCAG will continue to implement FTA requirements for performance-based planning and coordinate with transit operators to address transit safety and transit asset management (TAM). SCAG will continue to assess and monitor regional transit system performance and work with transit operators through the Regional Transit Technical Advisory Committee to ensure stakeholder input and participation in the metropolitan transportation planning process, consistent with the SCAG MOUs with the transit operators.

Strategic Plan:

- Supports Priority #1 – Establish and implement a regional vision for a sustainable future.
- Supports Priority #3 – Spur innovation and action through leadership in research, analysis, and information sharing.

145 Sustainable Communities and Strategic Partnerships Planning Grant Program

Manager: Philip Law

Program Objective:

OVERALL WORK PROGRAM

To encourage local and regional planning that furthers state goals; to identify and address statewide, interregional, or regional transportation deficiencies on the State highway system; and to support planning actions at the local and regional levels that advance climate change efforts on the transportation system.

Strategic Plan:

Supports Priority #1 – Establish and implement a regional vision for a sustainable future.

Supports Priority #2 – Be a cohesive and influential voice for the region.

Supports Priority #3 – Spur innovation and action through leadership in research, analysis, and information sharing.

156 The Soboba Tribal Climate Change Adaptation Plan

Manager: Ryan Wolfe

Program Objective:

To encourage local and regional identification of transportation system vulnerabilities and climate-related risks to existing transportation infrastructure, identification of adaptation planning projects that address climate risk impacts to existing transportation infrastructure, and planning for specific climate projects that can be programmed in existing local or regional transportation plans.

Strategic Plan:

Supports Priority #5 - Secure and optimize diverse funding sources to support regional priorities.

225 Special Grant Projects

Manager: Sarah Dominguez, Victor Negrete & Kate Kigongo

Program Objective:

To fund and participate in environmental and transportation specialized projects with funding from discretionary grants and/or local funds contributed by local jurisdictions. Grants assist the region and local agencies to better integrate land use, technology and transportation planning to develop alternatives for addressing growth, sustainability and to assess efficient infrastructure investments that meet community needs. In addition, staff secured a grant through the Office of Traffic Safety to support Go Human, SCAG's Regional Active Transportation Safety and Encourage Campaign. The Campaign was implemented in partnership with the six county health departments and six county transportation commissions and aimed to increase rates of walking and biking while reducing collisions. The multi-pronged campaign included

OVERALL WORK PROGRAM

partnership development with local agencies on temporary safety demonstration projects utilizing Go Human’s Kit of Parts Lending Library, safety messaging campaigns and increasing public awareness of traffic safety measures through outreach and engagement. The multi-faceted campaign will include partnering with local agencies on demonstration projects, coordinating safety trainings and workshops, and increasing public awareness of the rules of the road through outreach and advertising partnerships.

Strategic Plan:

- Supports Priority #1 – Establish and implement a regional vision for a sustainable future.
- Supports Priority #2 – Be a cohesive and influential voice for the region.
- Supports Priority #3 – Spur innovation and action through leadership in research, analysis, and information sharing.
- Supports Priority #5 – Secure and optimize diverse funding sources to support regional priorities.

230 Regional Aviation & Airport Ground Access Planning

Manager: Philip Law

Program Objective:

The Regional Aviation and Airport Ground Access Planning (Aviation) program focuses on the region’s airports and aviation system primarily from the perspective of airport ground access and the surface transportation system. Although SCAG does not have regulatory or developmental authority over the airports, it does plan for and identify airport ground access strategies in the regional transportation plan. SCAG also plays a critical consultative and collaborative role with the airports, federal agencies, Caltrans, the transportation agencies and commissions, academic institutions, industry associations, and other transportation stakeholders. Staff will continue ongoing work on regional airport and airport ground access planning, and explore new areas of research on aviation systems planning. There will be considerable collaboration with regional partners through ongoing communication and participation on working groups and committees, including the Aviation Technical Advisory Committee (ATAC), which SCAG manages and convenes.

Strategic Plan:

- Supports Priority #1 – Establish and implement a regional vision for a sustainable future.
- Supports Priority #2 – Be a cohesive and influential voice for the region.
- Supports Priority #3 – Spur innovation and action through leadership in research, analysis, and information sharing.

235 Local Information Services Program

OVERALL WORK PROGRAM

Manager: Hsi-Hwa Hu

Program Objective:

The Local Information Services Program mainly focuses on the Local Information Services Team (LIST) and the Toolbox Tuesday Training Series to build local capacity in innovative and integrated transportation and planning tools and resources. LIST aims to (1) link SCAG’s available information products (e.g., data, applications, model policies and best practices, topical white papers, etc.) to help address local needs, (2) provide local jurisdiction staff an opportunity to offer feedback on how SCAG can improve its products to facilitate better collaboration, and (3) coordinate and conduct one-on-one technical assistance meetings with local jurisdictions. Internally, LIST also work closely with subject matter experts at SCAG to provide technical, outreach, education, and engagement guidance on a number of proposed applications for local jurisdictions while aligning the objectives between local and regional planning. The Toolbox Tuesdays serve as important opportunities for inter-governmental communication. By bringing together planners from diverse areas of the region, the sessions provide opportunities for local jurisdictions to learn from each other about the successes and failures in new approaches to transportation and land use planning. In a region as vast as SCAG, forums, where staff from dense urban communities can share their concerns and successes with planners from less populated areas, are highly valued. Toolbox Training sessions equip local government planners to think beyond their traditional roles and respond to new mandates that require collaboration and public participation.

Strategic Plan:

- Supports Priority #2 - Be a cohesive and influential voice for the region.
- Supports Priority #3 - Spur innovation and action through leadership in research, analysis and information sharing.
- Supports Priority #4 - Build a unified culture anchored in the pursuit of organizational excellence.

267 Clean Cities Program

Manager: Kate Kigongo

Program Objective:

Administer the U.S. Department of Energy (DOE) Clean Cities Program for the SCAG Clean Cities Coalition, including performing outreach and marketing in support of expanding alternative fuels in the SCAG region. Partner with public and private entities to displace petroleum gasoline use by encouraging purchase of alternative vehicles, increasing efficiency of existing fleet vehicles, and reduction of vehicle miles traveled (VMT).

Strategic Plan:

- Supports Priority #1 - Establish and implement a regional vision for a sustainable future.
- Supports Priority #2 - Be a cohesive and influential voice for the region.

OVERALL WORK PROGRAM

Supports Priority #3 - Spur innovation and action through leadership in research, analysis and information sharing.

275 Sustainable Communities Program

Manager: Victor Negrete, Philip Law & Kate Kigongo

Program Objective:

The Sustainable Communities Program (SCP) is a proven, recognized and effective framework for deploying essential planning resources throughout the SCAG region. This collaborative initiative provides assistance to local jurisdictions to coordinate sustainable transportation, land use and regional policies and issues in local planning. The SCP seeks to provide needed planning resources to local jurisdictions for active transportation and multimodal planning efforts, sustainability, land use and planning for affordable housing; develop local plans that support the implementation of key strategies and goals outlined in Connect SoCal, the 2024 RTP/SCS; and increase the region’s competitiveness for federal and state funds. The program seeks planning solutions to local growth challenges and results in strategies that promote local and regional sustainability through the integration of transportation and land use, with particular focus on developing and practical strategies to reduce greenhouse gases. It will continue to be a critical tool in achieving SB 375 targets and other State goals aimed at reducing GHG emissions.

Strategic Plan:

- Supports Priority #1 – Establish and implement a regional vision for a sustainable future.
- Supports Priority #2 – Be a cohesive and influential voice for the region.
- Supports Priority #3 – Spur innovation and action through leadership in research, analysis, and information sharing.

280 Future Communities Initiative

Manager: Hsi-Hwa Hu

Program Objective:

The Future Communities Initiative includes action items aimed at harnessing the power of new technologies, big data, open data as well as enhanced analytics to promote innovation in regional and local planning and reduce transportation demand. Tools and resources provided through the initiative will enable more informed regional and local policy making, increase the efficiency of public service delivery, and ensure the financial sustainability of future cities. The Future Communities Initiative will play a key role in reducing VMT and GHG emissions by modernizing regional land-use and transportation planning tools, fostering data-driven collaboration with SCAG’s partner agencies, and providing local agencies with planning resources to pilot new

OVERALL WORK PROGRAM

technologies and initiatives to reduce travel demand.

Strategic Plan:

Supports Priority #1 - Establish and implement a regional vision for a sustainable future.

Supports Priority #3 - Spur innovation and action through leadership in research, analysis and information sharing.

290 Research, Planning and Engagement for Sustainable Communities

Managers: Ryan Wolfe, Ma'Ayn Johnson, Sarah Dominguez, Warren Whiteaker, Hsi-Hwa Hu, Philip Law, & Victor Negrete

Program Objective:

SCAG staff initiated the implementation of Connect SoCal immediately after its adoption, and has since launched research, planning and studies in preparation for the next plan, Connect SoCal 2028. Much of SCAG’s research and planning is focused on reducing single occupancy vehicle trips and transportation related GHG through advancing mode shift, transportation demand management, operational efficiency, system accessibility, and integration of future transportation, employment and land use. Research is also focused on aligning land use and encouraging cities and counties to adopt land uses that promote growth in Connect SoCal identified Priority Growth Areas.

Strategic Plan:

Supports Priority #1 – Establish and implement a regional vision for a sustainable future.

Supports Priority #2 – Be a cohesive and influential voice for the region.

Supports Priority #3 – Spur innovation and action through leadership in research, analysis, and information sharing.

Supports Priority #5 – Secure and optimize diverse funding sources to support regional priorities.

303 Economic Empowerment

Manager: Victor Negrete

Program Objective:

The Economic Empowerment Program is focused on the implementation of targeted, place-based programs aimed at achieving economic empowerment across intersectional policy goals identified in the RTP/SCS and the Regional Housing Needs Allocation (RHNA) process. The staff in this program are also charged with identifying new partnerships, projects and funding sources to develop new programs for implementation of Connect SoCal 2024.

OVERALL WORK PROGRAM

Strategic Plan:

Supports Priority #1 - Establish and implement a regional vision for a sustainable future.
Supports Priority #3 – Spur innovation and action through leadership in research, analysis and information sharing.
Supports Priority #5 – Secure and optimize diverse funding sources to support regional priorities.

305 Regional Early Action Planning (REAP) Grants Program – REAP 2.0

Managers: Ma’Ayn Johnson, Kate Kigongo, Hsi-Hwa Hu & Victor Negrete

Program Objective:

The REAP 2.0 program seeks to accelerate progress towards state housing goals and climate commitments through a strengthened partnership between the state, its regions, and local entities. REAP 2.0 seeks to accelerate infill housing development, reduce Vehicle Miles Traveled (VMT), increase housing supply at all affordability levels, affirmatively further fair housing, and facilitate the implementation of adopted regional and local plans to achieve these goals. SCAG’s REAP 2.0 Program was developed through an outreach process with a variety of strategies to reach a wide range of regional stakeholders. SCAG’s REAP 2.0 Program combines coordinated and transformative housing development, finance, land use, and transportation strategies to help achieve California’s housing and greenhouse gas emission reduction goals. This program includes several projects across three major Program Areas, including Early Program Initiatives, Programs to Accelerate Transformative Housing (PATH) Program, and the Transportation Partnership Programs (TPP).

Strategic Plan:

Supports Priority #1 – Establish and implement a regional vision for a sustainable future.
Supports Priority #3 – Spur innovation and action through leadership in research, analysis and information sharing.
Supports Priority #5 – Secure and optimize diverse funding sources to support regional priorities.

310 Planning Strategy Development and Implementation

Manager: Sarah Dominguez & Philip Law

Program Objective:

This program will develop a strategic framework for coordinating the implementation, monitoring, and performance assessment of the current Connect SoCal (Regional Transportation Plan/Sustainable Communities Strategy) alongside coordinating the integration of existing strategies, emerging trends and technologies across all SCAG departments to develop of the next Connect SoCal. This project will coordinate and advance planning division priorities and major work programs, and coordinate projects that fall in

OVERALL WORK PROGRAM

different departments. Additionally, this program will foster partnerships with federal, state, regional, and local agencies. To accomplish above objectives, the Planning Strategy Department will coordinate planning teams in the following program areas: Connect SoCal Development, Connect SoCal Strategies, and Performance Measurement and Monitoring., Local Planning and Program Assistance, and Local Jurisdiction Technical and Information Assistance.

Strategic Plan:

- Supports Priority #1 – Establish and implement a regional vision for a sustainable future.
- Supports Priority #2 – Be a cohesive and influential voice for the region.
- Supports Priority #3 – Spur innovation and action through leadership in research, analysis and information sharing.
- Supports Priority #5 – Secure and optimize diverse funding sources to support regional priorities.

315 Last Mile Freight Program – MSRC

Manager: Philip Law

Program Objective:

SCAG has partnered with the Mobile Source Air Pollution Reduction Review Committee (MSRC) to establish the Last Mile Freight Program (LMFP). The LMFP is intended to achieve immediate reductions in criteria pollutants and greenhouse gas emissions from commercially deployed vehicles/equipment serving the last mile delivery market. The LMFP will inform both industry and the public regarding zero-emissions/near-zero emissions vehicle/equipment and supporting infrastructure performance and how this information can be used to scale emissions reductions to contribute to regional air quality goals.

Strategic Plan:

- Supports Priority #1 – Establish and implement a regional vision for a sustainable future.
- Supports Priority #2 – Be a cohesive and influential voice for the region.
- Supports Priority #3 – Spur innovation and action through leadership in research, analysis, and information sharing.

325 Regional Pilot Initiative (PRI) Phase 2

Manager: Kate Kigongo

Program Objective:

To demonstrate innovative, next generation technologies and models of regional significance, specifically those with the potential to change transportation and housing paradigms towards building more sustainable communities. RPI relies on partnerships with the public sector (local jurisdictions, transit agencies, County Transportation Commissions, etc.) to permit, construct and operate these pilots, and with private sector vendors

OVERALL WORK PROGRAM

to implement the pilots. This multi-pronged program explores concepts such as accelerating active transportation improvements and the adoption of e-bike programs, Universal Basic Mobility, adoption of open-loop fare payment systems, and the improvement and expansion of mobility hubs across the region, among other priorities.

Strategic Plan:

Supports Priority #3 - Spur innovation and action through leadership in research, analysis and information sharing.

Supports Priority #5 - Secure and optimize diverse funding sources to support regional priorities.

400 Planning and Implementation for the 2028 Games

Manager: Philip Law & Victor Negrete

Program Objective:

SCAG will develop and implement a coordinated regional approach to managing transportation demand during the 2028 Olympics and Paralympics (Games), with a focus on regional transportation demand management (TDM), outreach and education to the public, employers, and businesses, freight delivery strategies, and active transportation related activities, including quick builds and community hubs. Additionally, SCAG will review and evaluate effectiveness to highlight policies and strategies that provide enduring benefits for regional mobility, communities, environment, and economy.

Strategic Plan:

Supports Priority #1 – Establish and implement a regional vision for a sustainable future.

Supports Priority #2 – Be a cohesive and influential voice for the region.

Supports Priority #3 – Spur innovation and action through leadership in research, analysis, and information sharing.

500 Federal Highway Funding Project Selection, Monitoring, and Delivery

Manager: Warren Whiteaker

Program Objective:

To select, monitor, and deliver Congestion Mitigation and Air Quality Improvement (CMAQ), Surface Transportation Block Grant (STBG), and Carbon Reduction Program (CRP) federally funded projects that advance Connect SoCal and associated federal performance targets.

Strategic Plan:

OVERALL WORK PROGRAM

Supports Priority #1 – Establish and implement a regional vision for a sustainable future.

Supports Priority #2 – Be a cohesive and influential voice for the region.

Supports Priority #5 – Secure and optimize diverse funding sources to support regional priorities.

FTA GRANT BUDGET

FTA DISCRETIONARY AND FORMULA GRANT BUDGET

Program Overview

SCAG is the Designated Recipient of FTA Urbanized Area Formula Grants under 49 U.S.C. Section 5307 for the large urbanized areas (UZAs) with populations of 200,000 or more (according to the latest U.S. Census) in the SCAG region. Under the reauthorization bill that was signed into Law on November 15, 2021, the Infrastructure Investment and Jobs Act (referred to as the Bipartisan Infrastructure Bill), funding is authorized for 49 U.S.C. Section 5339 Bus and Bus Facilities Formula Grants Program and U.S.C. Section 5312 National Research & Technology Program to SCAG due to being the Section 5307 Designated Recipient.

As the Designated Recipient, SCAG is responsible to apply for and pass through Section 5339 and Section 5312 grant funds for specialized transportation programs and projects, which provide capital funding to replace, rehabilitate and purchase buses, vans, fixed guide-way, as well as to construct related facilities and purchase related equipment. All the pass-through projects were completed over the last several Fiscal Years. In FY 2025-26, the FTA Discretionary and Formula Grant Budget includes only cash contributions (no federal funding) to support compliance monitoring for the post-implementation project.

TDA PROGRAM BUDGET

TDA BUDGET

Program Overview

State of California Public Utilities Code Section 99233.2 authorizes the Transportation Commissions in Los Angeles, Orange, Riverside and San Bernardino counties to allocate up to $\frac{3}{4}$ of 1 percent of their local transportation funds to SCAG as the multi-county planning agency for the region.

SCAG uses TDA to fund various activities in the Overall Work Program, as shown beginning on page 20, as well as other direct activities. SCAG uses TDA to fund local initiatives and to provide cash match as needed for projects funded with state or federal funds. For Other Work Program Budget, TDA funds SCAG signature events such as General Assembly, Demographic Workshop as well as Economic Summit.

Line Item Budget

In FY 2025-26, the TDA budget includes \$10,446,096 for consultants and staff-related costs to support local transportation planning projects as well as SCAG signature events.

GENERAL FUND BUDGET

GENERAL FUND BUDGET (GF)

Program Overview

The General Fund (GF) has been established to: provide support to the Regional Council (RC) and its Subcommittees for the costs of stipends and travel; fund costs not eligible for grant reimbursement; provide a source of working capital; finance program expenditures, which must be paid prior to sending requisitions to certain federal and state grantors; and authorize establishment of, and borrowing from, a line of credit. The General Fund is not an available resource to fund project costs otherwise chargeable to grants.

The RC is responsible for conducting the affairs of SCAG pursuant to Article V (A) 4 of the By-Laws. Among other duties, the RC reviews and may revise, amend, increase, or decrease the proposed annual GF budget as prepared by the Chief Financial Officer. The RC submits the approved GF budget to members of the General Assembly (GA) at least thirty (30) days before the annual meeting for review. After the adoption of the budget and the annual assessment schedule by the GA, the RC controls all GF expenditures in accordance with the budget.

Membership Dues Assessments

The By-Laws require the Executive Director to annually submit the GF budget to the RC. Upon its adoption, the GA fixes membership assessment for all members of SCAG in amounts sufficient to provide the funds required by the GF budget. The membership dues are calculated in accordance with the guidelines of the By-Laws.

FRINGE BENEFITS BUDGET

FRINGE BENEFITS BUDGET (FB)

Program Overview

Fringe benefits (FB) are employee-associated costs such as leave expenses (vacation, holidays, personal floating holidays, sick leave, etc.), health plan expenses, retirement plan expenses, workers' compensation insurance, unemployment insurance, bus/rail/carpool expenses, tuition reimbursement expenses, technology allowance, and deferred compensation expenses. These costs are expressed as a rate for full-time regular staff. The rate is the pooled costs of the fringe benefits divided by the total salaries for full-time regular staff.

To participate in SCAG's fringe benefits program, staff must hold benefits-eligible positions as regular, at-will or limited-term positions. Some of these programs provide staff and their families with financial protection if they become ill or disabled. These programs also allow staff and their family to recreate and spend time together. Others are designed to aid them in preparing for retirement or in meeting educational costs they incur for themselves.

The employee-associated costs are related to SCAG's full-time staff to generate a fringe benefits burden rate. The fringe benefits burden is applied to all staff charges in OWP, FTA Grant Budget, TDA Budget, General Fund, and Indirect projects.

A rate is applied to all OWP, FTA Grant Budget, TDA Budget, General Fund and Indirect cost salaries, e.g., for every \$1,000 of salaries, the FB budget is \$733.658 (73.3658%).

Part-time staff, interns, and temporary employees may be eligible for SCAG's limited fringe benefits. Part-time staff, interns, and temporary employee benefits are calculated separately and are not part of the fringe benefits burden rate.

INDIRECT COST BUDGET

INDIRECT COST BUDGET (IC)

Program Overview

The Indirect Cost Budget is established to provide funding for staff salaries, fringe benefits and other non-labor costs that are not attributable to an individual direct program project, except on a pro-rata basis. The Indirect Cost Rate Proposal (ICRP) is prepared in accordance with the guidelines of SCAG’s federal cognizant agency, FTA, and requires their approval as well as Caltrans approval.

An IC rate, approved by FTA and Caltrans, is applied to all productive staff salaries and fringe costs. For example, for every \$1,000 of direct salaries and fringe, the IC budget is \$1,375.646 (137.5646%). A review of the comprehensive line item budget chart beginning on page 12 shows the impact of this concept. Notice that the budgets for the OWP, FTA Grant Budget, TDA Budget and General Fund include allocated funds for the indirect costs which represent each budget component’s share of funding the Indirect Cost program.

INDIRECT COST BUDGET

Indirect Cost Work Areas

The Indirect Cost budget is spread across several functional work areas within the agency. The following chart describes each work area.

Group	Work Area	Activities
Administration	Finance	Finance is responsible for all financial activities of the agency, including accounting, budget & grants, investment policy, contracts, procurement, internal audits, and directing outside audits.
	Human Resources	Human Resources (HR) is responsible for staff recruitment, employee relations, training, employee benefits, maintaining personnel records, and administration of personnel rules and systems.
	Information Technology	Information Technology (IT) supports IT operations, computers for office staff, modeling and GIS capabilities, phone systems, video conferencing, and networks, as well as Facilities/property management for all of SCAG offices.
	Planning	Planning Administration supports activities that are not directly related to specific projects, such as the overall administration of the Planning Division, and efforts involved in the Policy Committee meetings.
Agency-wide Management		The Agency-wide Management section is responsible for the management of staff, the budget, and the day-to-day operations of the departments. The Executive Director is the official representative of the agency and its policies.
Legal Services		Legal Services is responsible for all internal and external legal affairs of SCAG.
Government and Public Affairs	Legislation	This unit is responsible for interfacing with the legislative processes at the federal and state levels.
	Regional Services & Media and Public Affairs	The primary responsibility of this unit is to maintain and expand governmental, community and private sector participation in the regional planning work of SCAG. This is done by working with cities and counties, local government officials, community, and business interest groups.

Subject: Sacramento Summit Follow-Up and Partner Bills - Support

RECOMMENDED ACTION:

The Legislative/ Communications and Membership Committee (LCMC) recommends a support position on Assembly Bill (AB) 239 (Harabedian), AB 334 (Petrie-Norris), AB 888 (Calderon), AB 891 (Zbur), AB 1131 (Ta), Senate Bill (SB) 360 (Rubio, Susan), and SB 752 (Richardson).

STRATEGIC PRIORITIES:

This item supports the following Strategic Priority 2: Be a cohesive and influential voice for the region.

EXECUTIVE SUMMARY:

At their meeting on April 15, 2025, members of the Legislative/ Communications and Membership Committee (LCMC) received a report on five bills that were brought to SCAG's attention at the 2025 Sacramento Summit, as well as a report on two bills that regional partners requested SCAG join in advocating for. Committee members voted to forward a support recommendation for Assembly Bill (AB) 239 (Harabedian), AB 334 (Petrie-Norris), AB 888 (Calderon), AB 891 (Zbur), AB 1131 (Ta), Senate Bill (SB) 360 (Rubio, Susan), and SB 752 (Richardson) to the Regional Council (RC).

BACKGROUND:

On March 18 and 19, SCAG held its annual Sacramento Summit to convene a group of SCAG board officers, board members, staff, and partners in the state capital to advocate for the agency's top legislative priorities. During these advocacy meetings, various legislators brought several bills to SCAG's attention. After conducting analysis, staff determined SB 752 (Richardson), AB 239 (Harabedian), AB 888 (Calderon), AB 891 (Zbur), and AB 1131 (Ta) aligned with the agency's State Legislative Platform and the priorities discussed during the Sacramento Summit and brought them to the LCMC at their meeting on April 15, 2025, with a recommendation to support.

Additionally, regional partners regularly reach out to SCAG asking that we join in their advocacy efforts for their sponsored legislative bills. After going through the requests, SCAG staff identified AB 334 (Petrie-Norris) and SB 360 (Rubio, Susan) as being sufficiently developed and aligned with

the agency's State Legislative Platform and brought them to the LCMC at their meeting on April 15, 2025, with a recommendation to support.

Summaries of all seven bills are included below:

The LCMC recommends SUPPORT for the following seven legislative bills:

Bill: SB 360 **Author:** Senator Susan Rubio (D-Baldwin Park)
Title: Land conservation: California Wildfire, Coastal, and Park Land Conservation Act: County of San Bernardino
Status: Placed on Senate Appropriations Committee Suspense File pending hearing.
Hyperlink: https://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=202520260SB360

Passed in 1998, Proposition 70 approved \$776 million of general obligation bonds to fund the acquisition and preservation of parklands, wildlife habitat, coastal, and natural lands in California. The Proposition required that applicants use any property acquired to further its purposes, and to make no other use, sale, or other disposition of the property, unless authorized by a specific act of the Legislature.

Per the requirements, SB 360 seeks the necessary authorization from the Legislature to use revenues from the sale or exchange of lands acquired with Proposition 70 funding for improvements to any lands within the Chino Agricultural Preserve that the County of San Bernardino owns, has a conservation easement in or a deed restriction on, or leases from the federal government or a public entity for park, agricultural preservation, or open-space conservation purposes.

The author argues that SB 360 will facilitate significant park and infrastructure improvements for Prado Regional Park and nearby communities, allowing San Bernardino County to conserve open space and expand recreational opportunities in the Inland Empire. The bill is sponsored by the County of San Bernardino, a member of SCAG. SCAG supported a previous version of the bill, AB 3182 (Lackey, 2024). AB 3182 received no "no" votes but was held in the Senate Appropriations Committee.

SB 360 aligns with SCAG's State Legislative Platform which expresses support for legislation that "foster(s) sustainable and equitable land use and development across the SCAG region."

Bill: SB 752 **Author:** Senator Laura Richardson (D-Carson)
Title: Sales and use taxes: exemptions: California Hybrid and Zero-Emission Truck and Bus Voucher Incentive Project: transit buses.
Status: Referred to Com. On Rev & Tax, set to be heard on May 14.

Hyperlink: https://leginfo.legislature.ca.gov/faces/billTextClient.xhtml?bill_id=202520260SB752

SB 752, introduced by Senator Richardson, extends the partial sales tax exemption on zero-emission buses sold to public entities that provide public transit service. Specifically, this exemption applies to eligible zero-emission buses (ZEBs) purchased by cities, counties, and transit agencies. To qualify for the exemption, the bus being purchased must be eligible for the Hybrid and Zero-Emission Truck and Bus Voucher Incentive Program, which is funded by the Air Quality Improvement Program and the Greenhouse Gas Reduction Fund. The current sales tax exemption is set to sunset on January 1, 2026, but SB 752 would extend the sunset date by two years, until January 1, 2028.

In 2019, Governor Newsom signed AB 784 (Mullin, 2019), which initially established a sales tax exemption until January 1, 2024, for ZEBs purchased by public entities that provide transit services to the public. AB 784 allowed public agencies to accelerate the expansion of their ZEB fleets, which was especially important after the California Air Resources Board (CARB) adopted the Innovate Clean Transit (ICT) rule in 2018. This rule requires all public transit agencies to transition to 100 percent ZEB fleets by 2040. The Governor signed AB 2622 (Mullin, 2022) into law in 2022, extending this partial sales tax exemption until January 1, 2026. With less than a year before the exemption expires, Senator Richardson is seeking to extend the exemption until 2028.

SB 752 will assist local public transit operators in converting their fleets to electric buses, which is necessary to help the region achieve its GHG reduction targets. SCAG supported AB 2622 in 2022; and, in addition, the California Transit Association (CTA), of which SCAG is a member, is sponsoring SB 752.

SB 752 aligns with SCAG's State Legislative Platform which expresses support for legislation that "enables electric and alternative fuel vehicle planning, permit streamlining, purchases, and charging and refueling infrastructure."

Bill: AB 239 **Author:** Assemblymember John Harabedian (D-Pasadena)

Title: State-led County of Los Angeles disaster housing task force.

Status: Passed Asm. Housing and Community Development Committee 11-0. Passed Asm.

Emergency Management Committee 7-0. Pending hearing in Asm. Appropriations.

Hyperlink: https://leginfo.legislature.ca.gov/faces/billVotesClient.xhtml?bill_id=202520260AB239

AB 239, introduced by Assemblymember John Harabedian, is an urgency measure that would establish a State-led County of Los Angeles Disaster Housing Task Force (Task Force). Specifically, this bill would require the California Department of Housing and Community Development (HCD) and the Office of Emergency Services (Cal OES) to convene a state-led County of Los Angeles disaster housing task force to coordinate and streamline efforts between HCD, Cal OES, Federal Emergency Management Agency (FEMA), and local governments to help rebuild housing in

communities affected by the wildfires that began on January 7, 2025, in Los Angeles County. This bill ensures that local jurisdictions have a voice and platform to share their expertise with relevant state and federal actors in order to inform recovery efforts. As such, the Task Force is required to include representatives from the county and impacted local governments. The Task Force would be required to:

- Appoint a state disaster coordinator to accelerate the delivery of resources, including funding and technical assistance, to communities impacted by the wildfires;
- Create a central rebuilding database that tracks urgency ordinances adopted in response to the Palisades and Eaton, as well as any previous wildfires, temporary housing information shared by local governments in response to wildfires, and resources on rebuilding best practices; and
- Deliver a quarterly report to the legislature on the status of rebuilding housing in communities impacted by the wildfires, starting April 1, 2026, until 2030;

AB 239 is an urgency measure, so it requires a two-thirds vote in both chambers to pass in the Legislature and would take effect upon being signed into law by the Governor.

AB 239 aligns with SCAG's State Legislative Platform which expresses support for legislation that would "provide resources for local governments to assist displaced residents and help communities recover from wildfires, earthquakes, and other natural disasters."

Bill: AB 334 **Author:** Cottie Petrie-Norris (D-Irvine)

Title: Operators of toll facilities: interoperability programs: vehicle information

Status: Passed Asm. Transportation Committee 16-0 and re-referred to the Privacy and Consumer Protection Committee consent calendar pending hearing.

Hyperlink: https://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=202520260AB334

This bill would support the national interoperability of toll facilities by allowing tolling agencies in California to share customers' information with out-of-state toll operators. By authorizing these agencies to share customer information, California's visitors would be able to seamlessly use their existing account on toll facilities located throughout the country.

Since 1995, toll agencies throughout California have been interoperable, meaning customers can use their FasTrak transponder on all tolled bridges, highway lanes, and roads throughout the state. However, current law restricts customer tolling data from being shared with agencies outside of California, making national interoperability infeasible. The author argues that passage of AB 334 would create a less burdensome experience for customers and create efficiencies in our transportation system by reducing the time and money spent on tracking down toll violations.

AB 334 is sponsored by the Transportation Corridors Agency (TCA), which is a member of SCAG. SCAG adopted a “support” position on SB 623 (Newman), a previous iteration of this bill with similar provisions to the sharing of customer data in pursuit of national interoperability of toll facilities.

AB 334 aligns with SCAG’s State Legislative Platform which expresses support for legislation that would enable “new technologies and innovations in the state transportation system that improve accessibility, efficiency, safety, and capacity.”

Bill: AB 888 **Author:** Assemblymember Lisa Calderon (D-Whittier)

Title: California Safe Homes grant program

Status: Referred to Assembly Insurance Committee to be heard April 30.

Hyperlink: https://leginfo.legislature.ca.gov/faces/billTextClient.xhtml?bill_id=202520260AB888

AB 888, authored by Assemblymember Lisa Calderon, would establish the California Safe Homes grant program, to be administered by the California Department of Insurance (CDI) to reduce local and statewide wildfire losses, improve the insurability and resilience of vulnerable communities, and harden insurable properties to mitigate wildfire risk, which can help achieve insurance premium discounts. This grant funding would be available to qualifying cities, counties, and special districts. Eligible uses for grant funding awarded under this program would include covering all or part of the cost of obtaining new or replacement fire-safe roofs, clearing the first five feet around a home, and projects that help build resilient communities through collective actions that mitigate risks before a disaster occurs.

Funding for this program would come from a percentage of premium taxes already collected by the California Franchise Tax Board and deposited into a dedicated fund, meaning it would not raise or create a new tax. This bill would require that 40 percent of the gross premiums tax levied on the premiums collected by insurance underwriters, above the amount collected in 2023, from property and casualty insurance (including general liability, auto, and workers' compensation) be deposited into the dedicated fund for this program. Thus, AB 888 redirects a portion of the proceeds of an existing tax levied on insurance companies in California and is not a new tax.

AB 888 would require the CDI to collect information about the program’s performance and submit a performance report to the Legislature by January 1, 2027, and every two years thereafter.

California State Insurance Commissioner Ricardo Lara brought this bill to SCAG’s attention during the 2025 Sacramento Summit, noting that it is the result of collaboration between his office and Assemblymember Calderon.

AB 888 aligns with SCAG’s State Legislative Platform which expresses support for legislation that would create funding opportunities that “foster sustainable and equitable land use and

development across the SCAG region—including local and regional climate adaptation, mitigation, and resilience initiatives,” and that “provide resources for local governments to...help communities recover from wildfires, earthquakes, and other natural disasters.”

Bill: AB 891 **Author:** Assemblymember Rick Chavez Zbur (D-Santa Monica)

Title: Quick-Build Project Pilot Program

Status: Passed Assembly Transportation Committee 12-4.

Referred to Assembly Appropriations Committee pending hearing.

Hyperlink: https://leginfo.legislature.ca.gov/faces/billStatusClient.xhtml?bill_id=202520260AB891

AB 891, authored by Assemblymember Rick Chavez Zbur, would establish the Quick-Build Project Pilot Program within the California Department of Transportation (Caltrans) maintenance program to develop and implement low-cost projects, including bicycle and pedestrian facilities on the state highway system. Caltrans would be required to publish guidelines for this program by December 2027. Caltrans would also be required to identify and fund at least six quick-build projects statewide under this program by December 2028. AB 891 defines “quick-build project” as a “capital infrastructure project that requires minor construction activities but is built with durable, low- to moderate-cost materials, and lasts from one to five years.” AB 891 would sunset in January 2030.

AB 891 aligns with SCAG’s State Legislative Platform which expresses support for legislation that would “expedite and streamline project development and delivery, especially for transportation, transit-oriented” projects and that “facilitates development of complete streets.”

Bill: AB 1131 **Author:** Assemblymember Tri Ta (R-Westminster)

Title: Congregate Care for the Elderly

Status: Passed 12-0 in the Assembly Housing Committee on April 9.

To be heard in the Assembly Local Government Committee on 4/23/25.

Hyperlink: https://leginfo.legislature.ca.gov/faces/billTextClient.xhtml?bill_id=202520260AB1131

AB 1131, authored by Assemblymember Tri Ta, would help local governments get Regional Housing Needs Assessment (RHNA) credit for congregate housing units for the elderly. It would do this by allowing local jurisdictions to include the number of units approved for congregate housing for the elderly at or below 100 percent of the Area Median Income (AMI) in their Annual Progress Report (APR) to the Department of Housing and Community Development.

On April 9, AB 1131 passed the Assembly Housing & Community Development Committee as part of the Committee’s consent calendar for that meeting. The Committee made technical changes to AB 1131 to limit the amount of congregate care facility units that may be credited toward RHNA to 15 percent and remove the limitation on reporting congregate care facilities at 100 percent or less of AMI, so that congregate care units in any income category may be included in an APR. For example,

if a jurisdiction is allocated 100 units of moderate-income housing (80-120 percent AMI) through the RHNA, it may only receive credit for 15 approved congregate care units in that income category.

AB 1131 aligns with SCAG's State Legislative Platform which expresses support for legislation that would "provide new incentives, tools, and ongoing funding and expand housing programs that fund construction and development of housing" and that "would increase coordination and flexibility between the California Department of Housing and Community Development and local jurisdictions to realize shared housing production goals."

Prior Committee Action:

Following staff presentations, LCMC members asked follow-up questions, including where the state insurance tax revenue is deposited and if there is any opposition to AB 888. Staff responded to the first question by noting that state insurance tax revenue is held in the Insurance Tax Fund of the State Treasury until necessary refunds are made, then the remaining balance is deposited into the state's General Fund. Staff followed up with AB 888's author after the meeting and confirmed that there is no formal opposition to the bill.

After addressing the Committee's questions, the LCMC voted unanimously to recommend that the RC adopt support positions on AB 239 (Harabedian), AB 334 (Petrie-Norris), AB 888 (Calderon), AB 891 (Zbur), AB 1131 (Ta), SB 360 (Rubio, Susan), and SB 752 (Richardson).

FISCAL IMPACT:

Work associated with the Sacramento Summit Follow-Up and Partner Bills - Support is in the Indirect Cost budget, Legislation 810-0120.10.

Subject: SCAG Memberships and Sponsorships

RECOMMENDED ACTION:

Approve up to \$6,500 for a sponsorship with the 1) Mobility 21 Summit.

STRATEGIC PRIORITIES:

This item supports the following Strategic Priority 2: Be a cohesive and influential voice for the region.

EXECUTIVE SUMMARY:

At its April 15, 2025, meeting, the Legislative/Communications and Membership Committee (LCMC) approved up to \$6,500 for a sponsorship with the 1) Mobility 21 Summit.

BACKGROUND:

Item 1: Mobility 21 Summit

Type: Sponsorship **Amount:** \$6,500

Mobility 21 is a coalition of public, business, and community stakeholders to pursue regional solutions to transportation challenges facing the SCAG region and San Diego County. SCAG is a founding member of Mobility 21, and Kome Ajise, SCAG’s Executive Director, is a member of the coalition’s board of directors. Created in 2002 as an effort in Los Angeles County, Mobility 21 became a regional effort in 2007 with the primary goals to:

- Support practical solutions to Southern California’s transportation challenges;
- Mobilize regional support for transportation funding and legislative priorities at the federal and state levels;
- Unite political leaders around common priorities for transportation; and
- Bring together residents, civic leaders, business groups, and industry experts to inspire them to act and educate them on how to effectively speak out in support of transportation initiatives.

SCAG is a founding member of Mobility 21, and Kome Ajise, SCAG's Executive Director, is a member of the coalition's board of directors, which includes representation from various other SCAG stakeholders and agencies.

Mobility21 co-hosts an annual conference with SCAG, and this year's 2025 Mobility 21 Southern California Transportation Summit Power of Partnership will be held on Friday, September 12, 2025, at the Disneyland Hotel in Anaheim, California. Last year's Summit, which SCAG attended, focused on the challenge of change in a post-pandemic world. It featured panels such as Unlocking the Future of Mobility: How AI is Transforming Transportation, Federal and State Opportunities: Finding Innovation in Uncertainty, and The Human Equation in Transportation Innovation. Various panels included members of the SCAG board. Staff recommends sponsoring the conference at the \$6,500 Gold level. As an important note, this funding will be coming from the agency's FY 25-26 budget, and its disbursement is contingent upon the Regional Council approving the FY 25-26 budget this summer. The Gold sponsorship level will provide SCAG with the following benefits:

- Registration and reserved seating for four (4) attendees at the general sessions and luncheon;
- Attendance for one (1) representative at exclusive VIP Reception with Mobility 21 Board of Directors, speakers and special guests;
- Exhibitor table at Mobility 21 Expo and one (1) exhibitor-only registration;
- Logo visibility on a shared slide in the conference sponsor slide show;
- Logo on Mobility 21 sponsor page website;
- Company name on pre-conference advertising, both print and electronic;
- Company name on the event program and other Summit materials; and
- Half-page ad in Summit program.

PRIOR COMMITTEE ACTION:

Staff presented the agenda item for up to \$6,500 for a sponsorship with 1) Mobility 21 to the LCMC at its meeting on April 15, 2025. The LCMC approved this item unanimously as part of the consent calendar.

FISCAL IMPACT:

\$6,500 to sponsor the annual Mobility21 Summit will be included in the FY 26 General Fund budget.

CONSULTANT CONTRACT NO. 24-012-MRFP 03

Recommended Consultant:	Dudek						
Background & Scope of Work:	Consistent with the requirements of the Regional Early Action Planning Grant that funds this project, the consultant shall encourage infill development by initiating an amendment to the City of La Puente’s General Plan and Zoning Code to include a new mixed-use zoning program that can be applied to existing underutilized commercial properties. Inclusionary housing requirements will be incorporated to ensure that new residential development is affordable to low- and moderate-income households. The project will also focus on infill development near public transit routes, which will help to increase transit ridership and reduce vehicle miles traveled. This project is a partnership between the City of La Puente and Active San Gabriel Valley (ASGV), a local community-based organization (CBO) whose primary role and responsibilities will include public engagement and outreach, data gathering, and reporting.						
Project’s Benefits & Key Deliverables:	The project’s benefits and key deliverables include, but are not limited to: <ul style="list-style-type: none"> • Amending the city’s General Plan and Zoning Code to encourage infill housing (mixed-use) developments in underutilized C2 commercial properties; • Defining and creating an objective method of identifying “underutilized commercial property” for project applicability, in an effort to preserve viable and thriving commercial centers; and • Establishing clearly defined and objective mixed-use regulations, including objective design standards. 						
Strategic Plan:	This item supports SCAG’s Strategic Priority: 1. Establish and implement a regional vision for a sustainable future.

<p>Selection Process:</p>	<p>The Proposal Review Committee (PRC) evaluated each proposal in accordance with the criteria set forth in the RFP and conducted the selection process in a manner consistent with all applicable federal and state contracting regulations. After evaluating the proposals, the PRC interviewed the two (2) highest ranked offerors.</p> <p>The PRC consisted of the following individuals:</p> <p>Anikka Van Eyl, Associate Regional Planner, SCAG Abraham Tellez, Planning Manager, City of La Puente David Diaz, Executive Director, Active SGV</p>										
<p>Basis for Selection:</p>	<p>The PRC recommended Dudek for the contract award because the consultant:</p> <ul style="list-style-type: none"> • Demonstrated the best understanding of the project, specifically that the project was intended to allow uses, rather than a traditional rezoning effort. The consultant team offered a breadth of experience and expertise with their local zoning experience, and housing element and implementation expertise. The consultant has experience leading similar housing element implementation efforts in jurisdictions across California, and led similar projects in Ranchos Palos Verdes, Fullerton, and Pico Rivera; • Provided the best technical approach. For example, the consultant team understood and delivered on the project intent while also adding a built environment analysis and infrastructure capacity assessment while still remaining under budget. • The consultant team offered a flexible approach that also understood the need to prevent unintended consequences; • The consultant team included sub-consultant, Pro Forma Advisors, to deliver the work in a market-driven and a pragmatic implementation strategy to ensure swift and visible outcomes; • The consultant also provided a thoughtful and inclusive approach to community engagement, increasing the number of engagement events, and ensuring they would be a reliable partner and collaborator with ActiveSGV ; and • Provided the best overall value for the level of effort proposed. The consultant team understood the project intent and was able to deliver on 										

	<p>all aspects of the project while remaining under budget for a reasonable amount of hours.</p> <p>Although other firms proposed lower prices, the PRC did not recommend these firms for contract award because this firm:</p> <ul style="list-style-type: none"> • Did not demonstrate the same understanding within their proposed technical approach. The proposed approaches focused mainly on a traditional rezoning project which did not meet the project’s intent to create criteria to allow mixed uses in C2 zones if a site was qualified. • In addition, the other firms did not demonstrate the familiarity and breadth of experience as did the selected consultant.

CONSULTANT CONTRACT NO. 24-012-MRFP 05

Recommended Consultant:	Dudek								
Background & Scope of Work:	<p>Consistent with the requirements of the Regional Early Action Planning Grant (REAP) that funds this project, the consultant shall complete a comprehensive update to the City of Lancaster's underutilized 2015 form-based Transit-Oriented Development (TOD) Zones plan. This will help realize the City's vision for compact, mixed-use development near the Metrolink Commuter Rail Station. The project will catalyze high-density housing and mixed-use projects near the station with clear development standards. The higher-density residential uses will leverage existing high-quality regional rail and bus connectivity and reduce VMT.</p> <p>The update will also support implementing the City's Housing Element, which includes a comprehensive overhaul of the existing zoning districts outlined in the TOD Zones plan. The Housing Element identifies the TOD area as an area to promote high-quality, walkable, mixed-use, and transit-oriented neighborhoods surrounding the Lancaster Boulevard core and Metrolink station. This zoning overhaul aims to encourage streamlining and clarity in the development review process.</p>								
Project's Benefits & Key Deliverables:	<p>The project's benefits and key deliverables include, but are not limited to:</p> <ul style="list-style-type: none"> • Updating the Transit-Oriented Developments (TOD) Zones Plan and completing the required CEQA documentation; • Streamlining and eliminating unnecessary barriers to developments that are consistent with the community's vision; • Simplifying guidance for housing development and facilitating the production of various housing types near the Metrolink Station.

non-profit public policy organization, Brookings was awarded the sole source contract.

The Brookings Institution is the natural and sole collaborator for this project because:

- Has developed a proprietary approach for combining publicly available data to measure wellness and progress in a specific community and present the results in an accessible way from that community's perspective;
- Has already created a tool for one group (Black Americans) that will be leveraged to assess data needs of Tribal communities, which eliminates the need and expense of developing the research from scratch;
- Is a non-partisan, non-profit public policy organization based in Washington, D.C. that has a reputation as a trusted resource in the research community and among policymakers and respects Tribal community culture and sensitivity around sovereignty, which will be essential for outreach in Tribal communities; and
- Is uniquely qualified as a trusted, non-partisan and academically rigorous institution to request special, detailed tabulations from various public sources, which will be important to this project because sufficiently detailed data for Tribal communities are not publicly available.

STRATEGIC PRIORITIES:

This item supports the following Strategic Priority 5: Secure and optimize diverse funding sources to support regional priorities.

ACCOUNTING:

Membership Dues

As of March 31, 2025, 189 cities, 6 counties, 7 commissions, and 11 tribal governments have paid their Fiscal Year (FY) 2024-2025 membership dues. SCAG has collected \$2.74 million out of \$2.76 million billed. This represents 99.38% of the membership assessment.

Investments & Interest Earnings

As required by SCAG's investment policy adopted by the Regional Council in July 2018, staff will provide a monthly report of investments and interest earnings. As of March 31, 2025, SCAG has invested \$23.48 million in the LAIF account and has earned \$816,197.96 in interest income (as of Q3). The interest earnings are distributed on a quarterly basis with an average interest rate of 4.48%. Additionally, SCAG has opened a Money Market Account to maximize interest income while monitoring the REAP's funding balance, interest earnings from this account are distributed monthly. As of March 31, 2025, SCAG has invested \$39.92 million in the Money Market Account and has earned \$1,621,130.45 (YTD), in interest income.

Grant Billing as of March 31, 2025

During FY 2024-25, staff has prepared and submitted requests for reimbursements of approximately \$31.98 million to the following agencies (\$4.88 million is for work completed in FY 2023-24). Additionally, since inception of the REAP programs, SCAG received advance funds of \$44.15 million for REAP 1.0 Program and \$61.51 million for REAP 2.0 Program.

BUDGET & GRANTS (B&G):

Staff completed the development of the FY 2025-26 Final Comprehensive Budget including the Overall Work Program (OWP). The proposed Comprehensive Budget will be presented to the Regional Council on May 1, 2025 for approval, and the proposed General Fund Budget and Membership Assessment Schedule will be presented to the General Assembly on May 1, 2025.

In addition, during the month of April, staff worked on product collection of the FY 2023 Sustainable Communities Formula grant funded projects (FY 23 SB1) as well as the FY 2024-25 3rd Quarter OWP Progress Report. The FY 23 SB1 products and the 3rd Quarter OWP Progress Report were submitted to Caltrans before the respective deadlines.

CONTRACTS ADMINISTRATION:

In April 2025, the Contracts Administration Department staff supported 21 formal procurements and 199 active contracts for professional services. In this month's consent calendar agenda item, "Purchase Orders and Contracts below Regional Council's Approval Threshold," staff reports executing two contracts under the approval threshold and issuing four purchase orders to support ongoing business operations in March 2025.

Here are a few items that business and industry leaders have been engaged in which may also be of interest to regional public leaders:

1. **No GLUE Council meeting** this month in light of General Assembly May 1-2, 2025.
 2. **Economy.** The financial markets continue to be highly volatile due to uncertainty at the federal policy level. As of this writing, the Dow dropped another 1,200 points to 38,170 (down from a 52 week high of 45,074) on a weakening economy. The White House whipsawing on tariffs is throwing automakers into chaos and threatening parts suppliers. The President signaled he might be open to making some tariff exemptions for the auto sector, but nothing announced as of this writing. In the meantime, business leaders find it tough to put together a cogent strategy, automakers are halting imports, purchases and investments without time for a complex global supply chain to adjust.
 3. **President Donald Trump's Impact on CalPERS:** The volatility in the stock market has wreaked havoc on the California Public Employees' Retirement System, which lost \$20 billion from its investment portfolio. A sustained downturn could wreck the finances of local governments, utilities and other agencies, according to this article. Cities worry they may need to increase their pension contributions, further straining local budgets.
 4. **So. Cal Housing Notes from Randall Lewis.**
 - The housing production numbers being reported this week show a weak March and April, so far, has been even worse. The market appears stagnant, and homebuyers are sitting on the sidelines. We hear that many are nervous about tariffs, the economy, and even their own jobs.
 - The apartment market remains pretty strong but that may change if there are increasing job losses during the summer.
-

- It is likely that retail spending will decline, particularly with declining consumer confidence, which will negatively impact sales tax revenue. Many consumers are scared and many simply have less disposable income with no relief in consumer prices of any significance.
- The industrial market is also getting sluggish. There are real concerns that the business coming through the ports will be headed for a slowdown. No one knows the real impact of the tariffs but it's likely it will cause fewer goods to come into California ports. It's too early to speculate what will happen, but it's something to monitor carefully.
- Cities and counties need first to play defense and then go on offense. On defense, they need to continue what they're doing to watch spending because the national fiscal picture is mercurial. On offense, cities should double down efforts to bring in new sources of revenue. It will be important to protect and grow existing businesses, cutting red tape, and new efforts will be necessary to bring in new business. This can come from new partnerships with universities or fast-growing companies and more efforts on quality-of-life issues that will make each city even more attractive.
- Most economists now think we will have some economic slowdowns and that there is a decent chance there will be a mild recession.

5. **Consumer Confidence Wavers Amid Economic Uncertainty.** [Key Takeaways:](#)

- Consumer confidence declined in John Burns Research and Consulting *March Household Sentiment Survey*: Consumers grew more pessimistic about their personal finances, the housing market, and the macroeconomic backdrop (including inflation and tariffs).
- Department of Government Efficiency (DOGE) cuts to federal spending and staffing have already impacted 1 in 10 households, and consumers continue to feel less secure in their jobs.
- Just 20% of consumers believe now is a good time to buy a home, down from 26% in December 2024. Consumers are still waiting for lower mortgage rates before reentering the market: 78% of prospective homebuyers believe rates will drop below 5.5% within a year.

6. **Capital Group Guide to Tariffs.** A primer on tariffs: [Capital Group Guide to Tariffs.](#)

Key takeaways:

- Tariffs are used to help protect domestic industries, among other purposes.
 - It's important to understand the four motivations for tariffs: Decoupling, rebalancing, negotiation and funding.
-

-
- Trump aims to lower the U.S. trade deficit, which is near the record high.
 - The U.S. administration seeks to leverage America’s economic position for a more balanced trade relationship.
 - Tariffs raise prices initially, but the overall impact to inflation is complex.
 - Price increases tend to stabilize after the initial increase, unless an ongoing trade war erupts.
 - The administration plans to adjust trade barriers to make them reciprocal.
 - Similar tariff rates between countries can benefit domestic companies but could trigger retaliatory actions.
 - Tariffs can increase volatility, but markets have shown resilience over time.
 - During Trump’s first term, tariffs caused volatility in 2018, but markets surged in 2019.
